Part Two - Terms of Employment

2.1 Good Employer/Equal Employment Opportunities [s.77A State Sector Act 1988]

2.1.1 Every employer bound by this agreement shall:

- (a) Operate a personnel policy that complies with the principles of being a good employer; providing equal access and consideration and equal encouragement, in areas of recruitment, selection, promotion, conditions of employment and career development, for people to pursue their careers without their chances being reduced by factors which are irrelevant to the requirements of the position, for example, race, sex, sexual orientation, country of origin, marital status, family responsibilities, age, disability and HIV status;
- (b) Make provision for:
 - (i) good and safe working conditions; and
 - (ii) the impartial selection of suitably qualified persons for appointment;
 - (iii) take all reasonable steps to remove obstacles which may impact on the:
 - aims and aspirations of Māori people;
 - employment needs of the Māori people;
 - need for the greater involvement of the Māori people in the education service;
 - (iv) take all reasonable steps to remove obstacles which may impact on the:
 - aims, aspirations and employment needs of women;
 - aims, aspirations and employment needs of people with disabilities;
 - aims, aspirations, employment needs and cultural differences of ethnic or minority groups;
 - (v) opportunities for the enhancement of the abilities of individual employees;
- (c) Develop, publish and comply with an equal employment opportunities programme in accordance with the above, on a yearly basis.

2.1.2 Attention is drawn to the good employer provisions of the State Sector Act 1988. These provisions in this Act or any amendment or Act passed in substitution of this Act shall apply with particular regard to good and safe working conditions and opportunities for the enhancement of the abilities of individual teachers.

2.2 Appointments

2.2.1 In appointing the person best suited to the position the board of trustees will have regard to the experience, qualifications and abilities relevant to the position and such other relevant matters as it determines. Good employer and equal employment opportunities principles and responsibilities shall be applied and demonstrated in appointment procedures.

2.2.2 Advertising and Appointments

- (a) The following vacant positions or roles must be advertised in the Education Gazette at least 14 days before the date specified in the advertisement as the closing date for applications, and no appointment (provisional or otherwise) shall be made before that closing date:
 - (i) permanent full-time positions;
 - (ii) permanent part-time positions;
 - (iii) long-term relieving positions of more than one term;
 - (iv) fixed-term positions of more than one term;
 - (v) permanent Community Teacher (within school) roles, whether full-time or part-time.

Note: *It is not necessary to advertise where, by the agreement of the board of trustees, an existing permanent full-time employee transfers to a permanent part-time position within the same school.*
- (b) A Community Teacher (across community) role is not required to be advertised in the Education Gazette but must be advertised within the Community. Where the appointment at the end of the initial fixed-term period of up to two years is renewed in accordance with clause 3.32.4, that renewal does not need to be advertised.

- (c) A fixed-term Community Teacher (within school) role, of one school year or less, is not required to be advertised in the Education Gazette, but must be advertised within the school.
- (d) In circumstances where clause 3.31 applies advertising in the Education Gazette is not required, but the role shall be advertised within the Community.
- (e) The allocation of fixed-term units to an existing employee does not require the position held by the employee to be advertised.
- (f) No person shall be appointed permanently to any position unless that person is eligible to be appointed to such a position in a state or integrated area school.
- (g) Employers are required to make available to all applicants on request details of the duties to be carried out and the criteria being adhered to in making that appointment.
- (h) Part-time teachers' hours of work shall be confirmed as follows:
 - (i) All part-time teachers shall have their hours of work confirmed in writing on appointment.
 - (ii) Any agreed changes to permanent hours of work will be confirmed in writing.
 - (iii) Any non-permanent hours of work that apply for a period of four weeks or more shall be confirmed in writing.
- (i) Fixed-term teachers shall, in their letter of appointment, be advised when or how the employment will end and the reason for it ending in that way.

2.2.2A Fixed-term (non-permanent) employment

- (a) Full-time and part-time teachers may be employed on a fixed-term (non-permanent) basis where the employer and the employee agree that the employee's employment will end:
 - (i) At the close of a specified date or period; or
 - (ii) On the occurrence of a specific event; or
 - (iii) At the conclusion of a specific project.
- (b) Before an employee and employer agree that the employment of the employee will end in a way specified in clause 2.2.2A(a), the employer must have genuine reasons based on reasonable grounds for specifying that the employment of the employee is to end in that way.
- (c) The following are not genuine reasons for the purpose of clause 2.2.2A(b):
 - (i) To exclude or limit the rights of the employee under the Employment Relations Act 2000;
 - (ii) To establish the suitability of the employee for permanent employment.

2.2.3 Job sharing appointments

- (a) Where two people apply to share any advertised permanent full-time position and the employer is satisfied that the job share applicants are the best suited for appointment and that the arrangements for sharing the position are acceptable to it then the position shall be filled as a job share position and the applicants appointed.
- (b) Teachers who are job sharing a permanent full-time position are entitled to the same terms and conditions of employment as permanent full-time teachers.
- (c) Where a teacher who is job sharing resigns or is removed from the position the other teacher shall elect to:
 - (i) Take up the entire full-time position; or
 - (ii) Find another sharer acceptable to the employer for the same or different proportion of the time as previously.
 - (iii) With the agreement of the employer, continue employment as a permanent part-time employee, with either the same or different proportion of time.
- (d) Where one teacher who is job sharing takes leave which entails absence for a period of time the other sharer shall:
 - (i) Elect to relieve in the vacant slot; or
 - (ii) Find another sharer acceptable to the employer who would be a reliever; or
 - (iii) Take leave also, in which case the employer may appoint a reliever.
- (e) Where it is proposed to vary the agreed proportions of time in a position the job sharers shall give one month's notice to the employer of their wish to do so, provided that no changes to such proportions of time shall be made without the consent of the employer.

- (f) Where the holder of a permanent full-time position wishes to job share that teacher's position and the employer is satisfied with the job share arrangements, and the teachers are suitable, they shall be appointed without advertising.

2.3 Teacher Competence

2.3.1 The employer will provide reasonable opportunities for appropriate and effective professional development for all teachers.

2.3.2 Where there are matters of competence which are causing concern in respect of any employee (including failing to meet the professional standards as appropriate), the employee concerned shall be advised as early as possible. Questions of competency should be handled in a manner which protects the mana and dignity of the teacher concerned. The teacher shall be advised of his/her right to seek whanau, family, professional and/or union support in relation to matters of competence and to be represented at any stage. An appropriate assistance and personal guidance programme to assist that employee shall be put in place.

2.3.3 When this assistance and guidance has not remedied the situation, then:

- (a) The teacher shall be advised in writing of the specific matter(s) in relation to the relevant section(s) of the professional standards, causing concern and of the ways that such concerns can be remedied. The teacher shall be advised of his/her right to consult their union and of the right to be represented at any stage of the process.
- (b) The teacher is to be given a reasonable opportunity, normally 10 school weeks, to remedy the matter(s) of concern that have been identified. It is recognised that there may be circumstances where a timeframe of less or more than 10 weeks will be reasonable. The teacher is to be advised of the actual timeframe for the necessary improvement to be achieved and of the monitoring or guidance that will be provided.
- (c) At the end of this timeframe an assessment is to be made whether or not the teacher has remedied the matter(s) causing concern. The process and results of any evaluation are to be recorded in writing by the employer, and sighted and signed by the employee.
- (d) No action shall be taken on a report until the employee has had a reasonable time to comment (in writing or orally or both) to the employer.
- (e) If a teacher has failed to remedy the matter(s) causing concern then s/he may be dismissed without notice and paid one month's salary in lieu, or if a holder of units the teacher may be reduced in status if the circumstances warrant such a reduction rather than dismissal, or if appointed to a Community Teacher role under clause 3.31, 3.32 or 3.33, and the competency issues relate to that role, then the teacher may be removed from that role and lose the associated allowance if the circumstances warrant it rather than be dismissed from their substantive position.
- (f) A copy of any report to the Education Council arising under clause 2.3.2 shall be made available to the teacher.

2.4 Teacher Conduct and Discipline

2.4.1 Where a breach of discipline appears to have occurred, the employer shall determine whether disciplinary procedures should be initiated.

Where the employer considers it appropriate it shall make initial enquiries to establish whether the disciplinary procedures should be initiated.

In some cases, where the facts are clear and acknowledged, resolution may be achieved informally by discussion between the parties without the need for initiating the disciplinary procedures.

The teacher shall be informed of any allegation of a breach of discipline and of his/her right to consult the union and of the right to be represented at any stage.

2.4.2 Questions of conduct or discipline should be handled fairly in a manner which protects the mana and dignity of the teacher concerned. Teachers may seek whanau, family, professional and/or union support in relation to such matters.

- 2.4.3 When an employer decides to initiate formal disciplinary procedures against a teacher, the following principles are to be observed:
- (a) The employer or its agents will advise the teacher in writing of the reason for the disciplinary procedures being initiated, invite the teacher to respond in writing, and advise the teacher of her/his right to request union assistance and/or representation at any stage.
 - (b) Before any substantive disciplinary action is taken, an investigation must be undertaken by the employer. The teacher is to be invited to attend any such investigation and to make a statement concerning the matter either personally or through a representative.
 - (c) Notwithstanding clause 2.4.3(b) above, if the employer is satisfied that the welfare and interests of any student attending the school so requires, the employer may, at any time before the matter has finally been disposed of, either:
 - (i) suspend the teacher (note: suspension would normally be on pay except in exceptional circumstances); or
 - (ii) transfer the teacher to other duties.
 - (d) Where a breach of discipline is held to have occurred, the employer shall not impose a penalty on the teacher without first:
 - (i) giving the teacher the opportunity to make representations to it; and
 - (ii) taking into account any period of suspension already imposed.
 - (e) In the case of a finding of serious misconduct the employer may dismiss the teacher without notice.
- 2.4.4 Where a teacher has been suspended, and subsequently a breach of discipline is held not to have been proved, the teacher shall, unless the teacher has already resigned, be entitled to resume forthwith, teaching duties.
- 2.4.5 Where the teacher has been suspended without pay and subsequently the breach of discipline is held not to have been proved the salary withheld for the period of suspension shall be reimbursed.
- 2.4.6 If any penalty is imposed by the employer, the teacher must be advised of her/his right to pursue a personal grievance in terms of the employment relationship problem resolution provisions referred to in Part Eight of this agreement:
- 2.4.7 The following are examples of matters that may warrant disciplinary action. This is not an exhaustive list, nor is it intended that every such matter listed here must always be treated as a disciplinary matter. Each case must be assessed on its individual merits.
- (a) disobedience of lawful orders or instructions;
 - (b) negligence, carelessness or indolence in carrying out her/his duties as a teacher;
 - (c) gross inefficiency as a teacher;
 - (d) misuse or failure to take proper care of school property or equipment in her/his custody or charge;
 - (e) absence from duty without valid excuse;
 - (f) conduct in her/his capacity as a teacher or otherwise which is unbecoming to a member of the teaching service.

- (b) Anei ra ātahi momo tikanga hei kōwhiringa mā rātou:

 - he whakawhiti kōrero kanohi ki te kanohi;
 - ka hui mai te whānau hei tuarā mō te katoa; ā
 - ka hui mai ngā kaumātua kuia hei arahi hei tohutohu i rātou katoa;

- (c) Mēnā ka whakaaetia te kaimahi rāua ko tōna tumuaki ō rāua kaihautū rānei, kia oti pai ai te kaupapa, mā rāua mā ngā kaihautu rānei e hainatia ngā whakaaetanga i tūhia. Makaia atu tētahi kape o ngā whakaetanga nei ki te kōnae o te kaimahi.

Discussions in a Māori Context

- (a) The employee must be advised in writing of the specific matter(s) causing concern. The employee and employer may, depending on the nature of the complaint, agree to attempt to deal with a complaint by it being heard in a Māori context and manner.
- (b) A Māori context and manner relates to the following:
 - meetings can be held on marae;
 - there is face to face engagement;
 - there can be whanau support for all involved; and
 - guidance and advice is often provided by kaumatua and kuia for all involved.
- (c) Should the employee and employer, or their representatives on their behalf, agree to a resolution of the matter, then this shall be recorded in writing and signed by both parties and/or their representatives on their behalf. A copy of the agreement will be placed on the employee's personal file.
- (d) This is a discretionary option and either party may withdraw at any time, and nothing in this section prevents the employer or the employee deciding at any time that any or all of the procedures in clauses 2.3 and/or 2.4 will be used. Where either party decides to withdraw from this process, such a decision will not of itself give rise to any claim of procedural deficiency or unfairness. The decision to withdraw from this process and/or for the employer to use any or all of the procedures in clauses 2.3, and/or 2.4 will be notified in writing to the other party.

2.6 Personal Files

- 2.6.1 The employer shall ensure that personal files are held in a secure place and that access to them is confined to authorised personnel and the employee concerned.
- 2.6.2 Personal file information transferred to any employer must be relevant to the employment/service needs of the employer.
Note: attention is drawn to the Privacy Act 1993.

2.7 Re-Entry after Absence Due to Childcare

- 2.7.1 An employee who resigns from a permanent position to care for pre-school children may apply to re-enter the service under preferential provisions provided that:
 - (a) The absence does not exceed four years from the date of resignation or, five years from the date of cessation of duties to take up parental leave.
 - (b) The employee must:
 - produce a birth certificate for the pre-school child;
 - sign a statutory declaration indicating that absence has been due to the care of a pre-school child and paid employment has not been entered into for more than 15 hours per week during that absence (other than employment as day relief or a part-time teacher).
- 2.7.2 Where the employee meets all the provisions of clause 2.7.1 above and, at the time of application:
 - (a) has the necessary skills to fill competently a vacancy which is available in the profession; and
 - (b) the position is substantially the same in character and at the same or lower salary and grading as the position previously held, then the applicant under these provisions is to be appointed in preference to any other applicant for the position.

- 2.7.3 The period of preferential appointment expires six (6) months after the period in clause 2.7.1(a).
- 2.7.4 Absence for childcare reasons will interrupt service but not break it. The period of absence will not count as service for the purposes of sick leave or annual leave or any other leave entitlement.

2.8 Termination of Employment

- 2.8.1 (a) The notice required to be given to a permanently appointed teacher who holds a position which was advertised shall be two months, and for such a teacher who holds such a position the notice to be given to the employer shall be two months, except where the teacher and the employer agree to a lesser period of notice from the teacher.
- (b) Where an employer has dismissed an employee, except in cases of serious misconduct, the employer at their discretion may provide up to two months' salary in lieu of notice. In cases of serious misconduct the provisions of clause 2.4.3(e) shall apply.
- (c) Notwithstanding clause 2.8.1(a), where a long-term reliever's employment is to terminate on the occurrence of a specified event they shall be entitled to one (1) month's notice, or payment in lieu of the whole or remaining part of the notice on the occurrence of the event ie clause 2.8.1(a) does not apply.
- (d) Except in the case of serious misconduct, where an employer dismisses an employee pursuant to clauses 2.3, 2.4 or 2.5 of this agreement, a short-term reliever shall work the full duration of time, event or project for which they are employed. No notice is therefore required by either party.
- (e) The notice requirements in clause 2.8.1(a) do not apply where the Secretary for Education gives concurrence under medical retirement – serious illness.

2.9 Medical Retirement

- Note 1:** A teacher who is eligible for medical retirement for terminal illness may elect to take retirement under the provisions for either serious illness or terminal illness but not both and will be entitled to one payment only.
- Note 2:** In the event that an employee deceases in service without activating or uplifting the medical retirement provisions outlined in medical retirement terminal illness or medical retirement serious illness, the estate of the employee shall have no claim on the medical retirement provision.
- Note 3:** When an employee has ceased to be a permanent employee the board of trustees may no longer approve medical retirement.

Terminal illness

- 2.9.1 A permanently appointed teacher may be granted medical retirement in circumstances where the teacher has a terminal illness which causes them to be incapable of continuing to work or returning to work.
- 2.9.2 In such circumstances, the employee shall provide to the employer evidence of their illness from the teacher's registered medical specialist with a prognosis attesting to the incapacity to work both currently and in the future. The employer may request a further medical certificate from a registered medical practitioner nominated by the employer and will reimburse the cost where this is requested.
- 2.9.3 The employer shall, on receiving an application for medical retirement, take account of the information provided by the teacher when making the decision whether or not to grant the medical retirement. Where the information provided does not provide sufficient medical reasons to support the granting of medical retirement, the application can be declined.

- 2.9.4 Where the employer agrees to the medical retirement, the teacher is entitled to receive as a lump sum the greater of either:
- (a) the balance of their unused sick leave entitlement as provided for in clause 5.1 of this agreement;
 - or
 - (b) two months' normal salary in lieu of notice.

Serious Illness

The following is a summary of the serious illness provisions which are detailed in full in Appendix 6. Where there is an intention to use these provisions then refer directly to Appendix 6.

- 2.9.5 A permanently appointed teacher, currently in service, may be granted medical retirement under this clause in circumstances where the teacher has a serious illness or serious injury.
- 2.9.6 A teacher is considered to be medically unfit for work by reason of serious illness if she/he is wholly or substantially unable to perform the duties of the position at the school and is unlikely currently or at any time in the foreseeable future to be able to return to work. An application for medical retirement must be supported by medical evidence.
- 2.9.7 Either the employee or the employer can initiate the medical retirement processes. Where the employer initiates, they must have reasonable grounds to do so.
- 2.9.8 If the employee is medically retired, they may choose one of the following options:
- (i) A medical retirement payment of 13 weeks' salary plus an additional week for every year's service after 25 years. The maximum payment is 26 weeks' salary. Any sick-leave taken in the four weeks leading up to the application to medically retire will be subtracted from the payment; or
 - (ii) Remaining on sick-leave until their entitlement is exhausted and the employer immediately appointing a permanent teacher to replace the medically retired teacher; or

- 2.13.1 (a) Where, by reason of a reorganisation of, or a change in, the attendance at a school; or by reason of the closure, amalgamation or change of class of a school an employer is required to reduce the number of teaching positions or to alter the status of positions to which units are allocated, the position(s) to be disestablished or altered in status shall be determined in accordance with the provisions set out in this part and in Appendix 5. These provisions apply only to an employee appointed as a permanent area school teacher.
- (b) Where, by reason of a merger of a school (including where applicable, a centre) an employer is required to reconfirm or reassign teaching positions, or to alter the status of positions to which units are allocated, or to reduce the number of teaching positions, the position(s) to be reconfirmed, reassigned, altered in status or disestablished shall be determined in accordance with the provisions set out in this part and in Appendix 4. These provisions apply only to permanently appointed employees.

2.13.2 Notice Period

Positions identified as surplus in the procedures set out in Appendix 4 and Appendix 5 will be effectively disestablished at the start of the next school year. In the period between notice of disestablishment being given and the effective date of disestablishment, the following provisions shall apply:

- (a) Subject to clause 5.5 of Appendix 5, where an employee's position is to be disestablished and where, before the effective disestablishment of that position takes effect, the roll increases sufficiently to justify its continuation at its current level, the notice of disestablishment will be withdrawn and the employee concerned shall continue in the position at the level which existed prior to the notice of disestablishment being issued unless that employee has, in the meantime, resigned or been appointed to another permanent position;

- (b) Where, as a consequence of the closure of a school a replacement school is created, positions at the replacement school shall be advertised nationally in the Education Gazette and notice of intention to advertise shall be given to the board of trustees of the closing school. Teachers at the closing school may apply for the advertised positions. Selection shall be on merit with no automatic right to appointment. The entitlement to the options set out in clauses 2.13.3 and 2.13.4 applies where the employee does not secure a position in the replacement school;
- (c) Where, in the case of the merger or change of class of a school as a consequence of the operation of clause 2.13.1, an employee applies for a permanent teaching position of equal or lower status for which s/he is suitable at the merged or reclassified school, then the provisions of clauses 4.5, 4.6, 4.7 and 4.8 of Appendix 4 shall apply. The entitlement to the options set out in clause 2.13.3 and clause 2.13.4 applies where the employee does not secure a position in the new school;
- (d) Prior to the effective date of disestablishment of a position, the employer will support the employee's finding a suitable alternative permanent teaching position either within or outside the school and will meet the actual and reasonable expenses of attending interviews at other schools where prior approval is given;
- (e) Where an employee holds a position which is about to be disestablished and, before the effective date of disestablishment, the employee declines an offer of suitable permanent appointment at the same salary from the employer or applies for and declines an offer of appointment to a teaching position for which the employee is suitable from another board of trustees, the employee's employment may be terminated from the effective date of disestablishment and no further compensation paid;
- (f) Where an employee is appointed, under the provisions of this part, to a suitable permanent teaching position with another board of trustees and a transfer of location is involved, the employee shall be entitled to normal removal expense provisions provided that this entitlement shall be exercised for one transfer only.

2.13.3 Voluntary Options

Any employee (including an employee holding a job sharing position) whose position as a permanently appointed area school teacher is disestablished in accordance with Appendix 4 or Appendix 5 as a result of voluntary election or otherwise, has the following options available where applicable as provided for in Appendix 4 and Appendix 5 and clause 2.13.4 of this part. The options will become available at the date of disestablishment. The employee must advise the employer before the date of disestablishment which option s/he has selected. If no selection is made by this date the employee will be deemed to have supernumerary status. The options are:

- (a) Supernumerary employment;
- (b) Retraining;
- (c) Severance payment (this option does not apply where the employee volunteers to be considered for disestablishment as set out in Appendix 5); and
- (d) Long service payment.

2.13.4 The options set out in clause 2.13.3 shall have the meaning set out in this clause and apply in the following manner. The term 'school weeks' used in clause 2.13.4(1) and clause 2.13.4(2) below means those weeks forming part of the period during which in the normal course of events the school would be open for instruction.

(1) Supernumerary employment:

Supernumerary employment is employment for a period of up to thirty (30) school weeks. An employee whose position is disestablished as a result of voluntary election or otherwise who has either elected to be employed as a supernumerary teacher, or who has not taken up any of the other options set out in clause 2.13.3 before the date of disestablishment, shall be entitled to supernumerary employment in accordance with the following provisions:

- (a) (i) the employee will continue to be employed at his/her existing salary for a period of thirty (30) school weeks from the effective date of the disestablishment of the position (normally at the beginning of term one of the following year);

- (ii) in the case of school mergers the employee may elect to be employed at her/his existing salary for a period of forty (40) school weeks at the merged school or in any other school – provided that the board of trustees of that school gives consent – from the effective date of the disestablishment of the position and the provisions of clause 4.4.1(a) and clause 4.4.1(b) of Appendix 4 apply;
- (iii) in the case of school closure the employee may be supernumerary for forty (40) school weeks in any other school provided that the board of trustees of that school gives consent;
- (b) the employee may elect to take up her/his supernumerary employment at the same school or at any other school at the request of the employee and with the approval of the original employer and the board of trustees at the other school;
- (c) the employer will encourage the employee to find a suitable alternative permanent teaching position and will meet the actual and reasonable expenses of attending interviews at other schools where prior approval is given;
- (d) if during the supernumerary period the employee applies for a permanent position of equal or lower status for which s/he is suitable at the school or centre where s/he is employed at the time, s/he shall be appointed to, or in the case of a merger reconfirmed or reassigned to that position;
- (e) the employee's supernumerary employment shall cease upon the employee being appointed to a new teaching position or upon the employee choosing to resign or at the expiration of the applicable number of school weeks specified in clause 2.13.4(1)(a) from the effective date of the disestablishment of the position, whichever is the earlier;
- (f) in the case of the closure, amalgamation or change of class of a school, the supernumerary period shall begin on the date of the opening of the new school, unless the employee takes up her/his supernumerary position at another school in terms of (b) above, in which case supernumerary status will begin from the effective date of disestablishment. Where a school is closed without replacement the employee is entitled to the options set out in clause 2.13.3;
- (g) where a supernumerary teacher is appointed to a new permanent teaching position or is accepted for supernumerary employment at another school, and a transfer of location is involved, that employee shall be entitled to normal removal expenses provided that this entitlement shall be exercised once only for each supernumerary period;
Note: *Attention is drawn to clause 7.2.1 (g) of this agreement in relation to removal expenses*
- (h) where a supernumerary teacher declines an offer of suitable appointment at the same salary from the employer with whom s/he is employed at the time, or applies for and declines an offer of appointment from another board of trustees, the employee's supernumerary status shall cease forthwith;
- (j) during any period of supernumerary employment an employee is entitled to any salary increases or increments due.

(2) Retraining

Where an employee's position is disestablished as the result of voluntary election or otherwise the employee may elect to take a course of study approved by the Secretary for Education that will enhance or upgrade the employee's skills as a primary, area or secondary teacher, provided that:

- (a) the employee will continue to be employed at her/his existing salary for a maximum period of forty (40) school weeks from the effective date of the disestablishment of the position (normally at the beginning of term one of the following year);
- (b) the employee is employed as a supernumerary teacher during this period and has the rights and obligations of a supernumerary teacher except as specifically provided in this clause;
- (c) there is no requirement on the employer to meet any costs and expenses of training, including course fees;
- (d) the employee will provide evidence of attendance at the approved course of study where requested by the employer. The employer may make enquiries during the retraining period to establish that the employee is undertaking the approved course of study;

- (e) where the approved course of study is for a shorter period than forty (40) school weeks the employee is required to attend the school as a supernumerary employee in periods when the school is open for instruction provided that where the approved course of study is less than the applicable period under clause 2.13.4(1)(a) supernumerary status from the effective date of disestablishment of the position shall not extend beyond that period.
- (f) where the approved course of study commences later than the effective date of disestablishment, the employee is required to attend the school as a supernumerary employee in periods when the school is open for instruction, except in special circumstances approved by the employer;
- (g) where the employee chooses to withdraw from the course before its completion, further employment shall cease, except where the employer and the Secretary for Education agree that there was just cause for the withdrawal, the employee shall return to the school as a supernumerary for the remainder of the retraining period.

(3) Severance Payment

When an employee's position is disestablished as a result of the application of the provisions in Appendix 4 or in clause 5.3 of Appendix 5, the employee may elect to be paid a severance payment provided that:

- (a) the employee will be deemed to have supernumerary status for the period after disestablishment until severance payment is paid. This period will usually be that between the beginning of the next school year and the first (1st) of March census of the school roll. During this period, the rights and obligations of a supernumerary teacher will apply;
- (b) where a school is closed without replacement at the end of a school year the employee shall receive a salary for the supernumerary status up to 1 March. The severance payment shall be paid in the pay period immediately after 1 March. An employee may request to be paid the severance payment prior to 1 March (although no earlier than the end of the school year) and in these circumstances the payment for the supernumerary period shall be for the period between the end of the school year and the date of payment of the severance payment.
- (c) payment under this clause will be made in accordance with the provisions below. For the purpose of these provisions, ordinary pay is defined as basic taxable salary, plus regular taxable allowances paid on a continuous basis as at the effective date of disestablishment of the position. For employees on leave without pay, ordinary pay shall be the ordinary pay at the time of taking leave;
- (d) an employee whose position is disestablished who elects to take a severance payment shall be paid according to the table below:

Length of Service	Weeks of Payment (ordinary pay)
Up to 3 years	7 weeks
over 3 years and up to 5 years	15 weeks
5 years and over	23 weeks

- (e) for the purposes of calculating length of service for clause 2.13.4(3) and clause 2.13.4(4) only service as a teacher in a state or integrated school shall be counted. Non-permanent part-time service shall be calculated on the basis that 80 hours equals one month's service and 1000 hours equals one year's service. Where non-permanent part time service consists of 20 or more hours per week it may be credited as full time service. For the purposes of this clause service includes service credits for childcare where an employee resigned or took leave to care for her/his children, on the basis of one third credit for each year of such leave up to a maximum of five years credit;
- (f) where an employee, having received a severance payment, commences permanent employment within a number of weeks which is less than the number of weeks of payment received by the employee as a severance payment under clause 2.13.4(3)(c) above, the employee shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which severance payment was received.
Provided: that for the purposes of this clause, employment means employment as a teacher in a state or integrated school or employment as a manual training teacher in an approved manual training establishment;

- (g) any employee receiving the severance payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance or long service payment entitlements;
- (h) pay for employees shall be defined as:
 - (i) for full time employees, "Weekly" pay shall be 7/365 of ordinary pay;
 - (ii) for part time employees, "Weekly" pay shall mean the employee's average weekly earnings for the previous six/twelve months (whichever is more favourable to the employee);
- (i) payment under this provision is conditional upon the employee finishing on an agreed date (usually the first of March). Where the employee resigns her/his position or is appointed to another teaching position before the date of payment, no payment will be made.

(4) Long Service Payment:

- (a) Where an employee's position is disestablished either as the result of voluntary election or otherwise, the employee may elect to receive a long service payment. The intention of this payment is to assist the employee to withdraw from the teaching service. This option will be available on the following basis:
 - (i) the employee will be deemed to have supernumerary status for the period from the effective date of disestablishment until long service payment is paid. This period will usually be that between the beginning of the next school year and first (1st) of March census of the school roll. During this period, the rights and obligations of a supernumerary teacher will apply;
 - (ii) those with twenty-five (25) years' service and less than thirty (30) years' service shall be paid a lump sum of twenty-five (25) weeks ordinary pay;
 - (iii) those with thirty (30) years' service or more shall be paid a lump sum of thirty (30) weeks' ordinary pay;
- (b) Where a school is closed without replacement at the end of a school year the employee shall receive salary for the supernumerary status up to 1 March. The long service payment shall be paid in the pay period immediately after 1 March. An employee may request to be paid long service prior to 1 March (although no earlier than the end of the school year) and in these circumstances the payment for the supernumerary period shall be for the period between the end of the school year and the date of the payment of the long service payment.
- (c) For the purposes of the long service payment, the definitions of service and of weekly ordinary pay are the same as those for severance set out above;
- (d) Where an employee having received a long service payment commences permanent employment within a number of weeks which is less than the number of weeks of payment received by the employee as a long service payment under clause 2.13.4(4)(a) above, the employee shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which long service payment was received provided that for the purposes of this clause, employment means employment as a teacher in a state or integrated school or employment as a manual training teacher in an approved manual training establishment;
- (e) any employee receiving the long service payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance or long service payment entitlements;
- (f) payment under this provision is conditional upon the employee finishing on an agreed date [usually the first (1st) of March].

2.13.5 Preference in Appointment

- (a) Where a position which has permanent units attached has been reduced in status because of the operation of clause 2.13.1 and the actual roll is sufficient to justify its continuation or resumption at the former level before the actual reduction in status takes effect, the employee concerned shall continue to be employed in the position at its former status unless s/he has resigned or been appointed to another permanent position. This subclause is not applicable to the holder of fixed term unit(s).

- (b) Any employee who holds a position which has permanent units attached, and that position is or is about to be altered in status as a consequence of the operation of clause 2.13.1, who applies for the position as advertised at its new status shall be appointed to that position unless in the meantime the employee has been appointed to another permanent position, provided that where the position has been reduced in status the employee concerned shall continue to be paid at the salary s/he was receiving immediately prior to the reduction, for a period of one year from the effective date of the reduction provided that s/he continues to hold that position. This sub-clause is not applicable to holders of fixed-term unit(s).
- (c) During the period of salary protection an employee is entitled to any salary increases or increments due.

Compassionate grants are calculated as a proportion of the annual rate of salary payable to the teacher at the time of death as follows:

Length of service	Proportion of annual salary rate
20 years or more	One-eighth
10 years but less than 20 years	One-twelfth
Under 10 years	No grant payable

- 3.22.2 The following conditions apply to the payment of the grants:

 - (b) Service must be continuous except that intervals of up to one year (or the time to care for their own pre-school child(ren)) may be bridged and service aggregated, but the intervals do not count as service. If an interval exceeds one year, (or exceeds the time to care for their own pre-school child(ren)) the qualifying service commences afresh after the interval.
 - (c) Allowance service comprises: service in state schools (including kindergartens) in New Zealand; New Zealand Government service; teacher training which commenced in 1980 or earlier; active military service; service on the staff of New Zealand universities and service as a teacher on an official government exchange scheme, and in any government sponsored scheme.

 - (e) For the purpose of calculating the grant, salary includes salary plus any other permanent salary allowances paid. Temporary allowances such as boarding, higher duties allowances, and remuneration for extra duties (e.g. overtime or hostel supervision payments) are excluded.
 - (f) The grant is calculated to the nearest dollar and is payable to the dependant or the person acting on behalf of the dependants. Any salary or holiday pay due is payable to the estate.

- (a) provided that the employee or their partner is not in receipt of any other state or private sector isolation allowance which recognises any of the factors recognised in paying this allowance, unless that other allowance is specified by an agreement to be provided in addition to an isolation allowance;
 - (b) provided also that where an employee and their partner are both employed in the State Services at the locality, the allowance will be paid, at the employee's choice, either: at the "Basic Rate with Partner/Dependant" to either partner or at one half of that rate to both partners.

- 3.23.2 An isolation allowance will be paid fortnightly and during:

3.24 Holiday Pay

3.24.1 Definitions

The following definitions apply to this subsection:

- Holiday pay (HP): Holiday pay is the salary payable to teachers on cessation of duty or for periods during which schools are closed for term vacations.
- Vacation: is the period during which schools are closed for instruction at the end of a school term. Part 7 of the Education Act 1989 determines the periods during which schools will be closed for vacations.
- Deduction from HP: Deduction from holiday pay is a proportionate reduction in a teacher's holiday pay on account of leave without pay taken during the current school year.

3.24.2 General provisions

- A permanent teacher is paid for all vacations which occur during the period of engagement, subject to clause 3.24.3.

- (b) Holiday pay due on resignation: A permanent teacher who resigns during a school year is paid, on ceasing duty, any balance of holiday pay due after taking into account:
 - (i) total teaching service for the year;
 - (ii) holiday pay already paid in that year;
 - (iii) any leave without pay taken during that year.
- (c) Holiday pay after sick leave without pay - No deduction is to be made from the holiday pay of teachers for periods of sick leave without pay or accident leave without pay for periods not exceeding three months in any one school year. Where the total number of days of sick/accident leave without pay is in excess of three months, the deduction is based on the period subsequent to the three months. The initial three months are not taken into account. In order to receive the benefits of holiday pay for periods of sick leave without pay, a teacher's current sick leave entitlement must first have been used, ie, teachers with current entitlements to sick leave are not covered by the non-reduction in holiday pay provision outlined above if they elect to receive sick leave without pay instead of using their entitlement.

3.24.3 Holiday pay after leave without pay

If a permanent teacher has been granted leave without pay (other than sick leave in terms of clause 3.24.2 in excess of five school days during any school year, the total holiday pay due is reduced in proportion to the total period of leave without pay. In special cases the Secretary for Education may approve holiday pay beyond entitlement (eg, periods of approved sports leave without pay).

3.24.4 Holiday pay on higher duties or relieving allowances - A permanent teacher receiving higher duties allowances, relieving allowance, staffing incentives allowance and/or special duties allowance at the end of the term receives holiday pay calculated on the higher salary for the period so employed or until the end of the vacation, whichever is the shorter.

3.24.5 Method of calculation - Holiday pay is based on the school year and is not payable beyond 27 January. For holiday purposes, teaching service comprises all paid service including weekends and statutory holidays, but not school vacations. Calculation of holiday pay is made to the nearest day and when a half-day is involved the calculation is made to the benefit of the teacher. In calculating holiday pay the following rules apply:

- (a) in schools open for fewer than 195 days in a school year, Holiday pay = $3/10 \times$ number of days;
- (b) if a permanent teacher has had leave without pay for a period exceeding five days, the holiday pay to be deducted is based on the total number of days without pay;
- (c) when a teacher resigns, any half-day resulting from calculation of holiday pay is to the benefit of the teacher;
- (d) when a school closes on a Friday and the vacation commences on the Monday following, the intervening weekend is school time and not vacation time;
- (e) the number of days' holiday pay is counted from the beginning of the vacation.

3.25 Basis of Calculation of Payment of Salaries

3.25.1 The salaries of employees shall be paid fortnightly and the gross salary for a full pay period is calculated as 14/365ths of the annual salary rate. For broken periods the calculation is the number of days due multiplied by the annual rate and divided by 365. Gross salary comprises all salary and allowances (temporary and permanent).

3.26 Payment of Salaries (Part-Time Teachers)

3.26.1 The salary of a part-time teacher shall be a proportion of the rate on the base scale that the teacher would receive if employed full-time and shall exclude any additional salary and allowances. The number of hours for which payment shall be made shall be the number of class contact hours worked increased by 11 per cent.

3.26.2 Temporary change in hours

Where a part-time teacher increases the number of class contact hours worked per week (but less than full-time) for a period of up to four weeks, the additional hours shall be paid on the basis of 1/950 of the employee's annual rate. As these hourly rates include a holiday component, no further calculation of holiday pay is required for payment for the additional hours.

3.26.3 Long term change in hours - Where a part-time teacher increases the class contact hours worked per week (but less than full-time) for a continuous period exceeding four weeks, an appropriate pro rata adjustment shall be made. Holiday pay is calculated each term. Where there has been a long term change in hours during the term, holiday pay is to be paid according to the number of hours per week worked over the greater part of the year.

3.26.4 Part-time teachers who temporarily work full-time - Where a part-time teacher works full-time for a period of one week or more, payment shall be made on a full-time basis. Payment during vacations for holiday pay shall be made at the full-time salary rate for a period equal to 30% of any period or periods in which the teacher worked full-time and the balance of vacations should be paid at the normal pro rata rate.

3.26.5 Increments - The following procedures apply for the payment of increments to part-time teachers:

- (a) Part-time teachers shall receive increments when applicable, under the same conditions as full-time teachers.
- (b) Part-time teachers shall receive credit for class contact hours only. If employment is less than 20 hours per week, each complete 950 hours is equivalent to one year's full-time teaching.

3.26.6 Credit as full-time service - For incremental purposes, periods of employment for 20 hours a week or more are credited as full-time salary service and this service is counted as for full-time teachers. Any part-time service less than 20 hours a week, performed since the last increment was paid, may be counted towards the next increment on the basis of one month's credit for each 80 hours worked.

3.27 Relievers

3.27.1 Definitions of reliever:

- (a) Short-term relievers are teachers who are temporarily employed on a casual basis to relieve in a teaching position during that teacher's absence for a period not exceeding three weeks.

3.27.2 Payment of Salaries –Short-term relievers

- (a) Short term relievers employed shall be paid at the rate of 1/190 of the appropriate annual salary for each day worked (inclusive of holiday pay); provided that the maximum daily rate payable for relievers employed for no more than three (3) weeks, shall not exceed 1/190 of step 10 on the base salary scale.
- (b) If employed on an hourly basis, this proportion shall be 1/950 of the applicable annual rate to a maximum of step 10 on the base salary scale (inclusive of holiday pay); provided no reliever so employed shall be paid for less than two (2) hours per day of relief and, if there is a break in duties of one and a half hours (1.5) or more, an allowance equivalent to one (1) hours pay shall be paid.

3.27.3 Payment of salaries – Long-term relievers

- (a) Long term relievers employed in excess of three weeks, shall be paid a salary at the appropriate salary rate specified in this agreement.

Note: For clarity, the professional responsibilities of a long term reliever shall be the same as a permanent employee.

To be paid from 28 January:

- (a) Relievers employed in state schools at the end of the previous year;
- (b) Permanent teachers who retired at the end of the year and resume as relievers.

3.27.5 Period for which relievers are entitled to be paid

- (f) Where the role is appointed on a fixed-term basis, the period of appointment may be for up to one year, taking account of the needs of the Community and the progress of planning and inquiry.
- (g) Where a role is transferred from another board, it may only be allocated for a fixed period of up to one school year.
- (h) As the role is intended to expand on career opportunities for classroom teachers to use and develop their professional leadership skills while remaining in the classroom, a teacher appointed to this role must maintain at minimum a 0.8 FTTE classroom teaching load.
- (i) The employing board will receive additional 0.08 FTTE staffing for the period of the appointment to enable the functions of the role to be fulfilled.

3.33.11 The following provisions apply where the person appointed to the role is, at the time of appointment, a teacher **predominantly teaching years 7 to 13 classes**:

- (a) Appointment criteria to the role of Community Teacher (within school) shall include:

 - (i) where a board appoints three or more teachers predominantly teaching at these year levels to the Community Teacher (within school) role, each appointment to the role may be either permanent, or for a fixed term, in accordance with clause 2.2.2A, provided that fixed-term appointments will never make up more than 40% of these appointments;
 - (ii) where a board appoints fewer than three teachers predominantly teaching at these year levels to the Community Teacher (within school) role, the fixed-term allocation is to be determined by the employing board subject to clause 2.2.2A;

Part Four - Hours of Work

4.1 General

- 4.1.1 As well as the number of classes a teacher may be timetabled to teach, the hours of work of individual teachers are influenced by factors such as:
- (a) the preparation, evaluation and assessment time that may be generated by those classes and the students within them or by other requirements such as external examination prescriptions or the need to report on the progress of individual students;
 - (b) the counselling and pastoral needs of students;
 - (c) the administrative responsibilities of individual teachers either in respect of their curriculum or pastoral responsibilities or in respect of the general administration of the school; and
 - (d) the responsibilities of individual teachers arising from their appointment to a Community Teacher role;
 - (e) the extent to which individual teachers may participate in the extra-curricular programmes of the school.
- 4.1.2 For the foregoing reasons, the parties to this agreement further acknowledge and accept that the hours of opening of schools, the structure of the timetables and like matters are designed to meet the curriculum and pastoral needs of students and are determined within each school (according to well understood national guidelines or specific legal requirements).
- 4.1.3 The clauses which follow identify the guidelines and requirements upon which the decisions in individual schools are made.

4.2 Maximum Timetabled Classroom Teaching Time

- 4.2.1 The non-contact time allocations for full time teachers teaching across years 7-13 and the maximum timetabled classroom teaching time, are an acknowledgement of the importance to quality education of the duties other than classroom teaching (such as those referred to in clause 4.1.1(a to d) above) which teachers are required to undertake while schools are open for instruction. The parties are committed to the monitoring of the operation of these provisions
- Note:** For the purposes of clauses 4.2.3 and 4.2.4 of this agreement, predominantly shall mean 80% or more of the teacher's weekly timetabled classroom teaching time.
- 4.2.2 Each employer must have a policy on timetabling, developed in consultation with its teaching staff. This policy shall incorporate:
- (a) the implementation and administration of the maximum timetabled classroom teaching provisions of clause 4.2.3 to clause 4.2.5 below;
 - (b) reference to other matters including class sizes and hours of duty outside of timetabled hours which impact on timetabling practices;
 - (c) a process to provide for circumstances where, for genuine reason during timetabling or at short notice, the maximum timetabled classroom teaching time described in clause 4.2.3 are exceeded.
- 4.2.3 Teachers predominantly teaching year 7-13 classes
- The following provisions apply to teachers who are timetabled to teach 80% or more of their teaching time in year 7-13 classes.
- (a) Full-time teachers shall, subject to clause 4.2.2 above, have a maximum of 20 hours of timetabled classroom teaching time per week. The maximum timetabled teaching time of 20 hours per week may be a combination of differing periods of time but may total no more than 20 hours.

- (b) Subject to clause 4.2.2, the maximum timetabled classroom teaching time of teachers who hold permanent units shall be reduced by the following
- (i) one hour per week for holders of one permanent unit;
 - (ii) two hours per week for holders of two permanent units; and
 - (iii) three hours per week for holders of three or more permanent units.
- For clarity, the teacher's maximum timetabled classroom teaching time under clause 4.2.3 (a) shall be further reduced by the amounts outlined in clause 4.2.3 (b) (i-iii). The employer may continue to provide for less timetabled classroom teaching time for senior management positions in accordance with school policies.
- (c) No part-time teacher predominantly teaching year 7-13 classes shall, subject to clause 4.2.2, be timetabled to teach more than the maximum timetabled classroom teaching time limits specified in clause 4.2.3(a) above as appropriate.
- (d) The maximum timetabled classroom teaching time of a part-time teacher appointed to a 0.72 or higher FTTE position shall be established in accordance with the table below:

FTTE	Maximum timetabled classroom teaching time
0.89	19.50
0.83 – 0.88	19.25
0.80 – 0.82	19.00
0.77 – 0.79	18.50
0.74 – 0.76	18.00
0.72 – 0.73	17.75
Less than 0.72	Actual hours

- (e) Nothing in clause 4.2.3 (c)-(d) shall operate to reduce current agreements around the proportion of a full-time position to which a part-time teacher is appointed. Fixed-term arrangements with respect to all or part of a part-time teacher's hours of work shall continue according to their current basis, including any agreement to revision of these hours.

4.2.4 Teachers not predominantly teaching year 7-13 classes

The following provisions apply to teachers who are not timetabled to teach 80% or more of their teaching time teaching year 7 to 13 classes.

- (a) Full time teachers shall, subject to clause 4.2.2 above, have an average of 24 hours maximum timetabled classroom teaching time per week.
- (b) Teachers employed part time for 0.80 FTTE per week or more and who are not predominantly teaching year 7 to 13 classes shall have an average maximum timetabled classroom teaching time equivalent to 0.96 of the hours for which they are employed.
- (c) The maximum timetabled classroom teaching time referred to in subclauses (a) and (b) above may be averaged out on a per term per teacher basis in accordance with the maximum timetabled classroom teaching time policy formulated under clause 4.2.2.
- (d) Where possible, the school shall endeavour to reduce the maximum timetabled classroom teaching time of unit-holders or their equivalents where they are required to carry out specific management and/or additional responsibilities.

4.2.5 The individual time allowances provided under clauses 2.10 and 2.11 of this agreement shall further reduce the maximum timetabled classroom teaching time per week applicable to individual teachers in accordance with clauses 4.2.3 and 4.2.4.

4.2.6 Inquiry Time

A board in an approved Community will be entitled to allocate a number of hours of inquiry time in each school year which will be generated by the relevant Staffing Order. The board will determine the allocation of the inquiry time following consultation with its teaching staff and the person in the Community Leadership role.

4.3 Definitions

4.3.1 For the purposes of this clause, unless the context otherwise requires:

- (a) "Half day" (HD) shall have the meaning implied by its use in Part 7 of the Education Act 1989.
- (b) "Overtime" shall mean any timetabled teaching time in excess of two HD on any one day, or in excess of 10 HD in any one week, and shall include any timetabled teaching time scheduled on a Saturday or a Sunday except where the timetabled teaching time is correspondingly reduced, and any timetabled teaching time scheduled for any statutory or other full holiday specified in this agreement or during any vacation fixed in accordance with Part 7 of the Education Act 1989.
- (c) The term "teaching time" can include supervision, non-scheduled supervision time of students, teacher non-contact time, administrative duties or other directed or non-directed duties.

4.4 Length of School Day

4.4.1 For each school the length of the "school day" shall be determined according to the requirement that students are normally required to be in attendance for two HD, one before noon, the other after noon.

4.4.2 The normal teaching load in respect of any one day is therefore related to that requirement and takes account of the normal timetabling practices of each school.

4.5 Length of School Week

4.5.1 Except where interrupted by any public holiday or any other holiday allowed for in accordance with Part VII of the Education Act 1989 or by any provision in this agreement authorising the absence of teachers, the length of the school week for each school shall be determined according to the requirement that students are normally required to be in attendance for 10 HD on the days Monday to Friday inclusive.

4.5.2 The normal teaching load in respect of any one week is therefore related to that requirement.

4.5.3 As noted in subclause 4.2.1(b) of this agreement the 10 HD in any one week may include timetabled teaching time scheduled for a Saturday or a Sunday.

4.6 Length of School Year

4.6.1 Except where reduced by any lawful decision of the employer to close the school to students, the length of the school year for each school shall be determined according to the requirement that schools are required to be open for at least 380 half days in any one calendar year.

4.6.2 The normal teaching load of teachers in respect of any one year is therefore related to that requirement.

4.7 Division of Year into Terms and Holidays

4.7.1 For the purposes of organising their educational programmes it is noted that schools are permitted to divide the school year into teaching terms and holidays (vacations) in accordance with Part 7 of the Education Act 1989.

- 4.7.2 The employer may require teachers to attend school or elsewhere when the school is not open for instruction for up to five days or equivalent per annum for all or any of the following purposes – school administration, preparation and coordination, departmental and related activities and community, parent and whanau contact and liaison. The employer will endeavour to arrange matters at the school in such a way that any requirement under this section is not unreasonable and that teachers' individual needs are taken into account. Teachers' own initiatives in undertaking work for the above purposes shall be counted when applying this clause.
- 4.7.3 The employer may require teachers to participate in professional development opportunities at times when the school is not open for instruction provided that no teacher shall be required to attend for more than five days or equivalent per annum and provided also that the needs of the individual teacher are taken into account and the teacher's own initiatives in undertaking professional development during times when the school is not open for instruction are considered.
- 4.7.4 Where teachers are required to attend school or elsewhere when the school is not open for instruction pursuant to clause 4.7.2 and clause 4.7.3 above, they shall be reimbursed for any actual and reasonable costs incurred.

Part Five – Leave

Note 1 *The leave provisions set out in this Part of the agreement shall be applied in accordance with any administrative conditions that were in effect at the commencement of this agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this agreement except as may be expressly agreed to by the Secretary for Education after consultation with the unions.*

Note 2 *The parties acknowledge that the leave provisions of this agreement (and their administration) operate to provide entitlements equal to, or in excess of, those provided under the Holidays Act 2003. To this extent the parties agree that current administrative practices will continue to operate and, for clarity, teachers will take their annual leave outside the gazetted term dates.*

5.1 Sick Leave

- 5.1.1 (a) A teacher who is granted leave due to sickness or injury not arising out of or in the course of the teacher's employment shall be entitled to sick leave on pay for a period or periods not exceeding the amounts set out in the table below.

Length of Service	Aggregate period for which sick leave on payment be granted during service
Up to 3 months	7 days
Over 3 months and up to 6 months	14 days
Over 6 months and up to 9 months	31 days
Over 9 months and up to 5 years	46 days
Over 5 years and up to 10 years	92 days
Over 10 years and up to 20 years	154 days
Over 20 years and up to 30 years	229 days
Over 30 years	306 days

- (b) The amount of sick leave available shall be the teacher's aggregated sick leave entitlement set out in the table above, less the total amount of sick leave with pay that the teacher has taken during their teaching service to date.
- (c) Notwithstanding clause 5.1.1(a) above, a short-term relieving teacher has a sick leave entitlement based on the aggregate of the service completed since the last date of permanent employment, where every 190 days or 950 hours of short-term relief service equals one year of sick leave service.
- (d) Where a teacher has exhausted their current entitlement set out in the table in clause 5.1.1(a);
- in each subsequent year the employer will allow the teacher to anticipate up to five days' paid sick leave.
 - in exceptional circumstances the employer may grant further anticipated sick leave with pay in excess of the entitlement set out in clause 5.1.1(a), provided that no extension may be granted beyond 306 days.
 - Any anticipated sick leave taken under (i) or (ii) above will be deducted from the teacher's next entitlement under clause 5.1.1(a) when the entitlement becomes due.
- (e) Where a teacher has exhausted their entitlement set out in the table in clause 5.1.1(a) and has no future entitlement under clause 5.1.1(a), the teacher shall be granted sick leave in accordance with the Holidays Act 2003.

5.1.2 Service for sick leave purposes

- (a) The total period of the "length of service" which determines the teacher's sick leave entitlement outlined in clause 5.1.1(a) shall be the aggregate of employment as a teacher in:
- a New Zealand state or state integrated school;

- (ii) a New Zealand free kindergarten association, university, or polytechnic;
- (iii) Fiji, Cook Islands, Tonga, Western Samoa or Niue.
- (b) The following teaching service is counted as full-time:
 - (i) fulltime service;
 - (ii) permanent part-time service;
 - (iii) non permanent part-time service that consists of employment for 20 hours or more per week.
- (c) Non permanent part-time teaching service of less than 20 hours per week is assessed on the basis that 80 hours equals one month's service or 1000 hours equals one year's service.
- (d) Service in the New Zealand Public Service and/or Armed Forces may be converted to teaching sick leave entitlement on such terms as the Secretary for Education may agree. Deductions for sick leave taken from transferred New Zealand Public Service and/or Armed Forces service shall be converted to deductions from the teaching sick leave entitlement using the formula $T/P \times S = E$ where:
 - T = Teachers' sick leave entitlement on years of service;
 - P = Public Servants' sick leave entitlement on years of service;
 - S = Sick Leave taken as a Public Servant;
 - E = Equivalent number of days of sick leave as if taken as a teacher.

Note 1: *For the calculation of a teacher's sick leave entitlement, the total period of a teacher's "length of service" will continue to include employment as a teacher by a former education board, a secondary school board, a private school which has become integrated, a community college, a technical institute, a teacher's college, the former Department of Education or an agricultural college.*

Note 2: *Service for sick leave purposes does not include:*

- *study time while a teacher is not employed in the education service, or when on leave without pay of more than 90 calendar days,*
- *teaching in private schools (except for teachers in private schools which become integrated),*
- *teaching overseas except in the Pacific countries listed in clause 5.1.2(a)iii above,*
- *trade service, or*
- *service as a member of the Armed Forces of another country.*

5.1.3 Granting sick leave

- (a) The employer shall grant sick leave on pay with the following conditions:
 - (i) While a medical certificate will not normally be required for leave of up to five days, where it is considered warranted, an employer may require a teacher to produce a medical certificate or other evidence satisfactory to the employer.
 - (ii) For sick leave within three consecutive calendar days (whether or not the days would otherwise be working days for the teacher) the employer may inform the teacher that proof of sickness or injury is required and, if so, the employer will agree to meet the employee's reasonable expenses in obtaining the proof.
 - (iii) When a period of sick leave exceeds five school days a medical certificate from a registered medical or dental practitioner must be provided to the employer. If the teacher cannot obtain a medical or dental certificate other evidence satisfactory to the employer may be provided.
 - (iv) When a period of sick leave exceeds 14 days an employer may require the teacher to provide a medical certificate from a registered medical or dental practitioner stating the expected date the teacher will be able to return to work. The employer may require the teacher to provide further medical certificates should the sick leave continue beyond the expected date of return stated in this or subsequent medical certificates.
 - (v) When a period of sick leave exceeds 14 days the employer may require the teacher to obtain a second medical opinion from an independent registered medical or dental practitioner nominated by the employer and agreed to by the teacher provided that such agreement shall not be unreasonably withheld. The cost of a second medical opinion will be met by the employer.

5.1.4 Deduction from sick leave entitlement

- (a) Full-time teachers will have sick leave deducted from the entitlement set out in clause 5.1.1(a) above as follows:
 - (i) where the period of absence does not exceed five consecutive school days the days of absence are deducted i.e. intervening Saturday or Sunday do not count as leave.
 - (ii) where the period of absence exceeds five consecutive school days the continuous days are deducted i.e. all intervening weekends count as leave.
 - (iii) public holidays and school vacations that fall during a period of paid sick leave do not count as leave.
- (b) Part-time teachers shall have each day of absence deducted as a full day from the entitlement in clause 5.1.1(a) above. The days to be deducted shall be only those days which would normally have been worked and shall not include any intervening free days except where the part-time teacher works on five days of the week when, as with full-time teachers, the intervening weekend days will be counted as sick leave.

5.1.5 Teachers temporarily working reduced hours on account of sickness

- (a) The employer may allow at its discretion a teacher who has been on sick leave to return to duty on a reduced hours basis if the teacher's doctor so recommends and provides a medical clearance, and there would be no staffing or timetabling problems for the school. This arrangement should not, however, normally be allowed to continue for more than six weeks. The provisions (b) to (e) below will apply:
- (b) The daily hours not worked are to be aggregated and debited against sick leave on the basis of a five-hour day. For example, where a full-time teacher is present for:
 - (i) 20 timetabled hours in one week = 5 hours absent = 1 day sick leave debited
 - (ii) 17.5 timetabled hours in one week = 7.5 hours absent = 1.5 days sick leave debited.
- (c) Whole days or half-days of absence are to be debited as whole or half-days.
- (d) When the absence is on account of injury by accident and earnings-related compensation is payable to the teacher, normal pay is to continue and the Secretary for Education is to obtain reimbursement of earnings related compensation from the Accident Compensation Corporation in accordance with the usual procedures.
- (e) If the accident was work related there is no debit against sick leave entitlement. However, if the accident was non-work related, the sick leave entitlement is debited to the extent to which the salary payable for time actually worked plus the earnings-related compensation is made up to give normal full salary (provided, the teacher has a sick leave entitlement available).

5.1.6 Disregarded Sick Leave

- (a) Disregarded sick leave not exceeding an overall aggregate of two years may be granted by the Secretary for Education where in the opinion of the Secretary one of the following conditions has been met:
 - (i) The sickness can be traced directly to the conditions or circumstances under which the teacher is working; or
 - (ii) The injury occurred in the discharge of the teacher's duties through no fault of the teacher; and where no payment has been made by the Accident Compensation Corporation; or
 - (iii) The teacher has contracted a notifiable disease which requires the teacher to be excluded from school for a period prescribed under Schedule 2 of the Health (Infectious and Notifiable Diseases) Regulations 1966 or for a period determined by a Medical Health Officer; or
 - (iv) The teacher has contracted hepatitis or tuberculosis, where the period of disregarded sick leave is the time that the teacher's treating registered medical practitioner decides is necessary for the teacher to remain away from school; or
 - (v) The absence was due to war injury or to war service.
- (b) Where the sick leave has been deducted for any period granted as disregarded sick leave under clause 5.1.6(a)(i) to clause 5.1.6(a)(v) above, the sick leave will be reinstated.
- (c) Disregarded sick leave is additional to any period of absence on account of sickness or injury to which the teacher is entitled with full salary in accordance with the scale set out in clause 5.1.1(a) above.

- (d) Fixed term or relieving teachers shall only be granted disregarded sick leave, as provided for in clause 5.1.6 (a) above, where they have been in continuous employment before the date of application.

5.1.7 Holiday pay deductions

- (a) Holiday pay is not reduced for periods of sick leave with pay
- (b) When teachers have used their current sick leave entitlement holiday pay may be reduced for periods of sick leave without pay on the following conditions:
 - (i) No deduction is to be made from the holiday pay of teachers for periods of sick leave without pay for periods not exceeding 90 calendar days in any one school year.
 - (ii) Where the total amount of sick/accident leave without pay is in excess of 90 calendar days the deduction is based on the period subsequent to the initial 90 calendar days. The initial 90 calendar days are unaffected.
- (c) Teachers with a current sick leave entitlement who apply to receive sick leave without pay will have holiday pay reduced in proportion to the unpaid leave taken (as per clause 3.24.3) and should be advised of this when notified of the approval of sick leave without pay.
- (d) Clause 5.1.7(b) above will apply to all fixed term or relieving teachers who have completed at least 90 calendar days' continuous service.

5.2 Parental Provision

The provisions of the Parental Leave and Employment Protection Act 1987 shall apply, except in the case of superior provisions listed below.

5.2.1 Definitions

- (a) Birth in this section means the birth of a child whether live or still-born, within the meaning of the Births, Deaths and Marriages Act 1995.
- (b) Group 1 teachers are defined as teachers appointed to permanent positions and teachers appointed to advertised long-term relieving positions.

5.2.2 Maternity Leave - Group 1 Teachers

A Group 1 teacher who is pregnant is entitled to maternity leave without pay. Leave may commence at any time during the pregnancy subject to the teacher giving the employer one month's notice in writing, supported by a medical certificate. A shorter period of notice will be accepted on the recommendation of a medical practitioner:

- (a) A female teacher with 12 months or more service, as defined in the former Education (Salaries and Staffing) Regulations 1957 but excluding any periods of teachers' college or university training, shall be entitled to:
 - (i) 12 months maternity leave from the date of birth,
 - (ii) up to a further 12 months' maternity leave (bringing the total entitlement to a maximum of 24 months' continuous leave including leave taken prior to the birth of the teacher's child) subject to notifying their employer in writing of their intention to take this leave within nine (9) months from the date of commencing maternity leave under clause 5.2.2(a)(i)
 - (iii) The total amount of leave taken shall be at the election of the teacher.
- (b) A female teacher with less than 12 months' service shall be entitled to six months' leave from the date of birth and may be granted up to six months' additional leave at the discretion of the employer.
- (c) A female teacher intending to legally adopt a child under the age of 12 months shall, subject to satisfactory evidence, be entitled to maternity leave from the date of assuming responsibility for the child as if subparagraph (a) or (b) above applied. The requirement of one month's notice does not apply.

- 5.2.3 The teacher's position shall be held open, subject to the surplus staffing provisions of clause 2.13 of this agreement, for the duration of maternity leave. If a relieving teacher is employed it will be a condition of the relieving appointment that it will be terminated by the employer concerned within one month from the date that the permanent incumbent gives notice of intention to return to work early. A teacher must give her employer at least one month's notice if it is her intention to return to work before maternity leave expires. This provision shall not apply in the case of a woman who has had a miscarriage or a stillborn child. In such cases the teacher may elect to return to work immediately.
Note: *Employment as a long term reliever covering a teacher on maternity leave does not generate an entitlement to permanency in the event that the teacher on leave resigns.*
- 5.2.4 A teacher intending to resign because of pregnancy must be advised of her right to take maternity leave.
- 5.2.5 Maternity grant
- (a) A maternity grant shall be payable to female teachers in Group 1 on production of the birth certificate or evidence of an approved adoption placement, whether she is granted maternity leave without pay or resigns because of pregnancy or adoption placement.
 - (b) This grant shall be equivalent to six (6) weeks' full salary at the rate applicable at the date of birth (or placement in the case of adoption) to the position from which she was granted leave or resigned.
 - (c) A maternity grant may be payable to relieving teachers in such terms as the Secretary for Education may approve.
- 5.2.6 Sick leave during pregnancy
 Periods of illness due to pregnancy prior to the birth may be charged against the teacher's sick leave entitlement. Normal rules for sick leave with regard to production of a medical certificate apply. Once the teacher has commenced parental leave, any day(s) of sickness must be leave without pay and in no circumstances may a teacher have an absence during or following the birth of the child credited against her sick leave entitlement.
- 5.2.7 Leave to attend partner at birth of their child.
 Permanently appointed teachers will be granted two (2) days' paid leave to attend their partner at the birth of their child. Reasonable notice must be provided to the employer before and at the time of the teacher taking leave.
- 5.3 Bereavement/Tangihanga Leave for Death in New Zealand or Overseas**
- 5.3.1 Teachers shall be granted leave with pay to allow a reasonable opportunity to discharge their obligations and/or to pay their respects to a deceased person with whom they have had a close association. Such obligations may exist because of blood or family ties or because of particular cultural requirements such as attendance at all or part of a tangihanga (or its equivalent).
- 5.3.2 In granting time off, and for how long, the following points must be taken into account:
- (a) The closeness of the association between the teacher and the deceased;
(NOTE: This association need not be a blood relationship.)
 - (b) Whether the teacher has to take significant responsibility for any or all of the arrangements to do with the ceremonies resulting from the death;
 - (c) The amount of time needed to discharge properly any responsibilities or obligations;
 - (d) Reasonable travelling time should be allowed, but for cases involving overseas travel that may not be the full period of travel;
 - (e) A decision must be made as quickly as possible so that the teacher is given the maximum time possible to make any arrangements necessary. In most cases the necessary approval will be given immediately, but may be given retrospectively where necessary;
 - (f) If paid special leave is not appropriate then leave without pay should be granted.

- (g) If a bereavement occurs while a teacher is absent on annual leave, sick leave with pay, or other special leave with pay, such leave may be interrupted and bereavement leave granted in terms of clauses 5.3.1 and 5.3.2 above. This provision will not apply if the teacher is on leave without pay.

5.7.2 The ability to take up the entitlement to refreshment leave in clause 5.7.1 is subject to:

- (a) The teacher providing reasonable notice to the employer of their intention to take refreshment leave; and
- (b) The employer's ability to find a suitable reliever to fill the vacancy created by the teacher taking the leave. A suitable reliever is a teacher who will be able, to the satisfaction of the employer, to relieve in the school during the period of the teacher's leave. The employer shall use reasonable endeavours to find a suitable reliever. Reasonable endeavours in this context means accessing the usual pool of relievers, advertising locally if necessary, and does not mean advertising regionally or nationally, except as required in this agreement. Note: A teacher in receipt of the allowance for the Community Teacher (across community) role may apply in their last year of tenure in the role for their full entitlement to refreshment leave which is to be taken in the following school year.

5.7.3 Time off on refreshment leave will count as service for the purpose of salary increments, long service and severance calculations. It will not count for the purposes of sick leave or holiday pay calculations or for entitlement to public holidays.

5.7.5 A teacher may not take up a teaching position in another state or integrated school while on refreshment leave. This restriction does not preclude a teacher on refreshment leave agreeing to undertake occasional day-relief duties.

Part Eight – Employment Relationship Problem Resolution Provisions

Personal grievances and disputes shall be addressed in accordance with the provisions of Part 9 of the Employment Relations Act 2000.

8.1 Employment Relationship Problem Resolution Services

The following is a plain language explanation of the employment relationship problem resolution services.

What is an employment relationship problem?

It is a problem between employee and employer. For example, it might be a personal grievance or a dispute about a provision in an employment agreement.

Resolving an employment relationship problem

The employee and employer should first make a reasonable effort to discuss the problem and settle it by mutual agreement. (If it's a personal grievance, it **must** first be raised with the employer and **within 90 days** - Personal Grievances are explained further below).

An employee (or employer) has the right to be represented at any stage.

When a problem arises, union members should contact their local NZEI Te Riu Roa or PPTA Te Wehengarua field officer for advice and representation.

Employers should contact their local NZSTA adviser or other representative of their choice.

Personal Grievances

A personal grievance is a particular type of employment relationship problem that normally must be raised with the employer within 90 days of the grievance arising.

An employee may have a personal grievance where:

- They have been dismissed without good reason, or the dismissal was not carried out properly
- They have been treated unfairly
- Their employment or a condition of their employment has been affected to their disadvantage by an unjustified action of their employer.
- They have experienced sexual or racial harassment, or have been discriminated against because of their involvement in a union or other employee organisation, or have suffered duress over membership or non-membership of a union or other employee organisation.
- They have been discriminated against in terms of the prohibited grounds of discrimination under the Human Rights Act 1993.

Note: *The full meaning of the terms personal grievance, discrimination, sexual harassment, racial harassment, and duress, shall be the meaning given by sections 103 to 110 inclusive of the Employment Relations Act 2000.*

As with other employment relationship problems, the parties should always try to resolve a personal grievance through discussion.

Either party can refer a personal grievance to the Employment Relations Service of the Ministry of Business, Innovation & Employment for mediation assistance, or to the Employment Relations Authority.

If the problem relates to a type of discrimination that can be the subject of a complaint to the Human Rights Commission under the Human Rights Act 1993, the person can either take a personal grievance, or complain to the Human Rights Commission, but not both. If in doubt, advice should be sought before deciding.

Services Available

To help resolve employment relationship problems, the Ministry of Business, Innovation and Employment provides:

An information service

This is free. It is available by contacting the Ministry of Business, Innovation and Employment or by phoning toll free 0800 209020. The Ministry's Employment Relations Service's internet address is <http://employment.govt.nz/er/>.

Mediation Service

The Mediation Service is a free and independent service available through the Ministry of Business, Innovation and Employment. This service helps to resolve employment relationship problems and generally to promote the smooth conduct of employment relationships.

Mediation is a mutual problem solving process, with the aim of reaching an agreement, assisted by an independent third party.

If the parties can't reach a settlement they can ask the mediator, in writing, to make a final and binding decision.

A settlement reached through mediation and signed by the mediator at the request of the parties is final, binding and enforceable. Neither party can then take the matter any further and either party can be made to comply with the agreed settlement by court order.

If the problem is unresolved through mediation either party may apply to have the matter dealt with by the Employment Relations Authority.

The Employment Relations Authority

This Authority is an investigative body that operates in an informal way. It looks into the facts and makes a decision on the merits of the case and not on the legal technicalities.

Either an employer or an employee can refer an unresolved employment relationship problem to the Authority by filing the appropriate forms.

The Authority may call evidence, hold investigative meetings, or interview anyone involved. It can direct the parties to try mediation. If mediation is unsuitable or has not resolved the problem, the Authority will make a decision that is binding on all parties. Any party can contest the Authority's decision through the Employment Court.

Note: *All employment relationship problems, including personal grievances and any dispute about the interpretation or application of this agreement, must be resolved under Parts 9 and 10 of the Employment Relations Act 2000.*

8.2 Personal Grievance

Sections 103 to 110 are reproduced below from Part 9 of the Employment Relations Act 2000.

103 Personal Grievance

- (1) For the purposes of this Act, **personal grievance** means any grievance that an employee may have against the employee's employer or former employer because of a claim-
- (a) that the employee has been unjustifiably dismissed; or

- (b) that the employee's employment, or 1 or more conditions of the employee's employment (including any condition that survives termination of the employment), is or are or was (during employment that has since been terminated) affected to the employee's disadvantage by some unjustifiable action by the employer; or
 - (c) that the employee has been discriminated against in the employee's employment; or
 - (d) that the employee has been sexually harassed in the employee's employment; or
 - (e) that the employee has been racially harassed in the employee's employment; or
 - (f) that the employee has been subject to duress in the employee's employment in relation to membership or non-membership of a union or employees organisation; or
 - (g) that the employee's employer has failed to comply with a requirement of Part 6A; or
 - (h) *[Repealed]*.
- (2) For the purposes of this Part, a **representative**, in relation to an employer and in relation to an alleged personal grievance, means a person-
- (a) who is employed by that employer; and
 - (b) who either-
 - (i) has authority over the employee alleging the grievance; or
 - (ii) is in a position of authority over other employees in the workplace of the employee alleging the grievance.
- (3) In subsection (1)(b), unjustifiable action by the employer does not include an action deriving solely from the interpretation, application, or operation, or disputed interpretation, application, or operation, of any provision of any employment agreement.

103A Test of justification

- (1) For the purposes of section 103(1)(a) and (b), the question of whether a dismissal or an action was justifiable must be determined, on an objective basis, by applying the test in subsection (2).
- (2) The test is whether the employer's actions, and how the employer acted, were what a fair and reasonable employer could have done in all the circumstances at the time the dismissal or action occurred.
- (3) In applying the test in subsection (2), the Authority or the court must consider—
- (a) whether, having regard to the resources available to the employer, the employer sufficiently investigated the allegations against the employee before dismissing or taking action against the employee; and
 - (b) whether the employer raised the concerns that the employer had with the employee before dismissing or taking action against the employee; and
 - (c) whether the employer gave the employee a reasonable opportunity to respond to the employer's concerns before dismissing or taking action against the employee; and
 - (d) whether the employer genuinely considered the employee's explanation (if any) in relation to the allegations against the employee before dismissing or taking action against the employee.
- (4) In addition to the factors described in subsection (3), the Authority or the court may consider any other factors it thinks appropriate.
- (5) The Authority or the court must not determine a dismissal or an action to be unjustifiable under this section solely because of defects in the process followed by the employer if the defects were—
- (a) minor; and
 - (b) did not result in the employee being treated unfairly.

104 Discrimination

- (1) For the purposes of section 103(1)(c), an employee is **discriminated against in that employee's employment** if the employee's employer or a representative of that employer, by reason directly or indirectly of any of the prohibited grounds of discrimination specified in section 105, or by reason directly or indirectly of that employee's refusal to do work under section 28A of the Health and Safety in Employment Act 1992, or involvement in the activities of a union in terms of section 107, -

 - (b) A teacher/subject analysis. This will include subjects taught at each year level over recent years; and
 - (c) An analysis of the likely curriculum, pastoral, and management positions of the merged school.
- 4.2.4 As a result of this process, draft staffing schedules shall be developed and made available to each employee, and to the nominee(s) of the Executive of the Association and the Institute respectively, for comment and feedback to the representative of the employer.
- 4.2.5 No less than five (5) working days will be made available for this feedback to occur before any further step is taken, unless otherwise agreed.
- 4.2.6 If there are alterations to these drafts, the amended versions shall also be made available for a further three (3) working days.

4.3 Expressions of interest

- 4.3.1 When the new staffing structure is announced, the employer shall invite all teachers to express a preference (or preferences) in writing, for a teaching position (or positions) at the merged school.
- 4.3.2 Teachers shall have at least one calendar week's notice of the closing date for expressions of interest in the position(s) at the merged school.

4.4 Voluntary Options

- 4.4.1 Following the publication of the staffing schedules, the employer boards shall seek written expressions of interest in the following voluntary options, as detailed in clause 2.13.4 of this agreement:
- (a) supernumerary employment of 40 (forty) school weeks at the merged school (see clause 2.13.4(1));
 - (b) supernumerary employment of 40 (forty) school weeks in another school (see clause 2.13.4(1));
 - (c) retraining (see clause 2.13.4(2)) ;
 - (d) severance (see clause 2.13.4(3));
 - (e) long-service payment (see clause 2.13.4(4)).
- 4.4.2 Teachers may continue to volunteer for the options without prejudice or withdraw from them at any point in the staffing merger process, providing the employer has not already accepted the offer in writing.
- 4.4.3 The employer shall not be bound to agree to any voluntary offer. The employer's decision shall be final.

4.5 Staffing Merger

- 4.5.1 For the purpose of the clauses below:
- (a) 'Reconfirmation' shall mean the process whereby teachers without permanent units are transferred to suitable positions at the merged school. A suitable position is one which has similar duties and/or for which the applicant is appropriately qualified and experienced or could become so with reasonable access to re-training.
 - (b) 'Reassignment' shall mean the process that applies to functionally-equivalent positions.
 - (c) 'Functionally equivalent' shall mean positions in middle or senior management which are generally similar in role, duties and status and which require similar qualifications, training, skills and experience but may have different titles and unit allocation.
Note: Middle management positions may include positions without units but which have subject responsibilities attached. Such positions may be referred by titles such as 'Teacher in Charge of a subject'.
 - (d) Merit means the most suitable person and primarily includes assessment of qualifications, training, skills and experience.

4.6 Re-assignment to Functionally Equivalent Positions

- 4.6.1 If a teacher expresses a preference for a position that is determined to be the functional equivalent of his/her current position, and s/he is the only suitably qualified and experienced teacher for that position, s/he shall be reassigned to that position, subject to the provisions in this section.
- 4.6.2 Teachers may be reassigned to the teacher's preferred position or to a position for which they are appropriately qualified and experienced.
- 4.6.3 Where there are more teachers in positions that are functionally equivalent, than there are such positions at the merged school, the employer shall seek internal applications for the position(s) from those teachers and shall reassign the most suitable candidate(s) based upon merit.
- 4.6.4 The number of units (or, where applicable, the number of middle management allowances) held by an employee shall not give a greater or lesser entitlement to a functionally equivalent position at the merged school.
- 4.6.5 A teacher who is reassigned to a position with fewer permanent units shall be reminded of the options available in clause 4.4.1 of this Appendix.
- 4.6.6 Teachers who are not reassigned to a functionally-equivalent position at the merged school may, subject to clause 4.7 below, be reconfirmed in a teaching position.

4.7 Reconfirmation

- 4.7.1 The employer shall reconfirm (as defined in clause 4.5.1 above) employees to suitable positions at the merged school. Reconfirmation may be to a teacher's preferred position or to a position for which they are appropriately qualified and experienced.
- 4.7.2 Where there are two or more teachers eligible for re-confirmation to a single position, the employer shall reconfirm the most suitable candidate(s) based upon merit.
- 4.7.3 Teachers who are not reconfirmed in a position in which they have expressed interest at the merged school may be reconfirmed in any vacant teaching position at the merged school for which they are suitable, or could become suitable with access to re-training.
***Note:** Trained permanent employees in their first year shall be reconfirmed or reassigned and may not volunteer for the options.*

4.8 Unfilled Positions

- 4.8.1 Where positions are created at the merged school that have no direct equivalent in the merging schools, such position(s) shall be advertised nationally in the Education Gazette and existing teachers may apply for them. Selection shall be on merit with no automatic right to such positions.
- 4.8.2 Actual vacancies at the merged school that remain unfilled after the completion of the processes for reconfirmation and reassignment shall be advertised nationally in the Education Gazette. Selection shall be on merit with no automatic right to such positions.

4.9 Notice and Disestablishment of positions

- 4.9.1 The employer shall give notice of all positions that are to be disestablished at least two months prior to the date of disestablishment.
- 4.9.2 Subject to clause 4.9.3 below, the positions of permanently appointed teachers who are not reconfirmed or reassigned to positions in the merged school through the operation of sections 4.6-4.7 of this Appendix shall be disestablished on the last day of the school year in which the merger is Gazetted.
- 4.9.3 If, as a consequence of exceptional administrative delays, the notice of disestablishment has been issued after 27 November in the year of the Gazetting of the merger, then the date of disestablishment shall be two months from the date that the notice was issued.
- 4.9.4 Teachers whose positions are to be disestablished, and who have not already identified voluntary options, must be offered the options identified in clause 4.4.1 of this Appendix at least two months before their positions are disestablished.
- 4.9.5 If, during the two-month notice period, a suitable permanent position arises at the merged school the employee may seek reassignment or reconfirmation to that position and if suitably qualified and experienced he/she shall be reassigned or reconfirmed in that position.
- 4.9.6 The provisions of clause 2.13.4 of this agreement shall apply from the date of disestablishment.
- 4.9.7 If no option has been selected by the effective date of disestablishment, the teacher will be deemed to have supernumerary status in the merged school.

- 4.9.8 Upon termination of the supernumerary period, teachers who complete their supernumerary employment of 40 school weeks at the merged school and have yet to secure a permanent position in another state or state-integrated school, will retain an entitlement to removal expenses as per clause 7.3 and Appendix 2 of this agreement for a period of 12 months from the cessation of their supernumerary employment. This entitlement will cease on permanent appointment to another teaching position in a state school.
- 4.9.9 A permanent part-time teacher who is offered a position with reduced hours at the merged school may either elect:
- (a) that the position has been disestablished and the provisions of clause 4.4 shall apply; or
 - (b) to accept the position with reduced hours, in which case from the date of disestablishment the employee shall be timetabled for the reduced number of hours but for a period of forty school weeks shall continue to be paid for the number of hours which applied to the original position.
- 4.9.10 A permanent part-time teacher who elects the option in clause 4.9.9(b) shall receive an allowance calculated as the difference between their fortnightly salary in the new position accepted by the teacher and their fortnightly salary based on the number of hours which applied to the original permanent position. Where the teacher's hours are increased during any one fortnight, the value of the allowance in that fortnight shall be abated accordingly. The value of the allowance shall not increase where the teacher works reduced hours in the new position in any one fortnight. The teacher shall receive the allowance over the number of weeks of entitlement set out in clause 4.9.9(b).
- 4.10 Units**
- 4.10.1 All holders of permanent units who are reconfirmed or reassigned to positions at the merged school which are reduced in status as a result of the application of these provisions shall have salary protection for one year from the establishment of the merged school.
- 4.10.2 Fixed-term units already allocated to teachers prior to the official date of merger shall continue until the agreed expiry date of those units where the employee is reconfirmed or reassigned at the merged school.
- 4.10.3 At the beginning of the new school year, the employer shall under clause 3.3.1 of this agreement, following consultation with the teaching staff, determine the use of any unallocated units subject to clause 4.10.2 above.

APPENDIX 5 - SURPLUS STAFFING PROCEDURES

- 5.1 Where a school is required to reduce staffing or alter the status of positions, because of the operation of clause 2.13 of this agreement, the following procedures will apply:
- (a) The employer shall inform employees of the number of full time teaching equivalent (FTTE) positions to be disestablished and the number of positions to which units are allocated to be altered in status.
 - (b) The employer shall attempt to meet any reduction required by the use of attrition. Attrition is the non-replacement of employees who die, retire, resign, transfer or are promoted. The employer will adopt a policy of reviewing vacancies when staff surpluses are expected to arise whereupon a partial or complete freeze will be placed on recruiting new permanent employees and/or promotions.
- 5.2 Where the reduction in staffing or alterations in status of positions cannot be fully met by attrition, the following voluntary options, as defined in clause 2.13.3, will be made available to employees:
- (a) Supernumerary employment;
 - (b) Retraining;
 - (c) Long service payment;
- provided that the employer shall not be bound to agree to any voluntary offer. The employer's decision shall be final. In the case of employees who are job sharing, this clause will only apply where both employees volunteer for the options.
- 5.3 Where the staffing reductions or alterations in status cannot be fully met by using attrition and voluntary options, the remaining reductions or alterations shall be made in accordance with the following:
- (a) A detailed analysis of the school's current curriculum and pastoral needs and of the projected needs for the following year will be carried out after consultation with employees. The completed analysis will be made available to employees and the unions.
 - (b) The employer, after consultation with a nominee of the National Executives of the unions, will identify the basic scale teaching positions to be disestablished in accordance with the following guidelines in the order stated:
 - (i) the curriculum balance within the school and pastoral care considerations;
 - (ii) essential course requirements;
 - (iii) roll movement patterns;
 - (iv) the tenure of the position(s) being considered; and
 - (v) the duration of service in the school of employees holding any positions being considered.

Note: *Trained beginning employees in their first year have absolute protection and their positions cannot be considered for disestablishment.*
 - (c) Any employee whose position is disestablished as a result of the operation of clause 5.3 above shall have available the following options, as defined in clause 2.13.3 of this agreement:
 - (i) Supernumerary employment;
 - (ii) Retraining;
 - (iii) Severance Payment;
 - (iv) Long Service Payment.
 - (d) The employer, after consultation with a nominee of the National Executives of the unions, will identify the positions to which units are allocated to be altered in status in accordance with the following guidelines in the order stated:
 - (i) the balance of the distribution of the units within the school and will take cognisance of the administrative, curricular and pastoral needs of the school;
 - (ii) duration of service in the school of employees holding any position being considered.
 - (e) An employee whose position is reduced in status shall have available the period of salary protection set out in clause 2.13.5(b) of the agreement.
 - (f) A judgement of whether the employee is competent to teach is not one of the criteria for selection and should not be a consideration for disestablishment. Matters of competence shall be dealt with in terms of clause 2.3 of this agreement.

- 5.4 An employee whose position is to be disestablished or reduced in status shall be:
- (a) notified of the change at least two (2) months before the effective date of disestablishment or reduction;
 - (b) In the case of employees whose position is to be disestablished, notified of the options available in clause 2.13.3 and Appendix 5 of this agreement; or
 - (c) In the case of employees whose position is to be reduced in status, notified of the options available in clause 2.13.5 and Appendix 5 of this agreement.
- 5.5 Re-establishment of positions which become available after the issuing of disestablishment notices:
- (a) when disestablishing positions or units in accordance with clause 5.3 above the employer shall determine and record the order of disestablishment.
 - (b) If, as a consequence of roll change or staff changes following the issuing of notice(s) of disestablishment, one or more positions become available then, in the curriculum areas in which the positions have become available, the notice(s) of disestablishment shall be withdrawn in reverse order to the record of disestablishment.
- 5.6 The employment relationship problem resolution provisions in Part Eight of this agreement are available to an employee who is aggrieved by any action of their employer taken under these provisions.

APPENDIX 6 – MEDICAL RETIREMENT-SERIOUS ILLNESS

(Where “notes” are used in this Appendix they are explanatory and not substantive.)

- 6.1 A teacher with a terminal illness may apply for medical retirement under either the terminal illness provision or the serious illness provision but not both and will be entitled to one payment only.

Note: This provision excludes any claim on disregarded sick leave.

- 6.2 The purpose of this provision is to:

- (a) Provide the opportunity for teachers, currently in service, who are declared medically unfit to retire from teaching with dignity;
- (b) Give the ability for boards of trustees to recruit the best possible teachers to vacant permanent positions without delay.

Note: This provision is for teachers currently in service and cannot be granted retrospectively. ‘Currently in service’ means the teacher is employed in a permanent position at the time the application for medical retirement is made and when concurrence is given by the Secretary for Education. For clarity this applies whether a teacher is currently on paid or unpaid sick leave.

- 6.3 (a) A permanently appointed teacher, currently in service, may be granted medical retirement under this clause in circumstances where the teacher has a serious illness which causes her/him to be incapable of continuing to work or returning to work.

Note: Serious illness includes serious injury. Stress is not considered to be a medical diagnosis and so any applications for concurrence on the basis of stress will be declined. However, the medical impact of stress may meet the criteria set out in this provision.

- (b) A teacher is considered to be medically unfit for work by reason of serious illness if she/he is wholly or substantially unable to perform the duties of the position at the school and is unlikely currently or at any time in the foreseeable future to be able to undertake new employment in any other teaching position in the Education Service (as defined in section 2 of the State Sector Act 1988).

Note: An employee is not eligible for medical retirement where she/he is receiving weekly compensation from ACC.

- (c) Either the employee or the employer may initiate the medical retirement process. The employer must have reasonable grounds to initiate the process.

Note: “Reasonable grounds” arise where the employee for a prolonged period is wholly or substantially unable to perform the duties of the position at the school due to medical reasons.

6.4 Employee Initiated Process

- (a) If the employee initiates the process, the employee shall provide to the employer from a registered medical specialist in writing the following: a description of the employee’s illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision.

Note: There is no provision for an employer to request a second medical specialist certificate

- (b) (i) If the employee is unable to obtain a registered medical specialist opinion in a timely fashion, or by virtue of distance, then the employee will undergo a medical examination from a registered general practitioner. The general practitioner shall provide in writing the following:

- a description of the employee’s illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision; and
- attestation that the employee could not obtain an opinion from a registered medical specialist.

- (ii) The employer may require a further medical certificate from a registered general practitioner nominated by the employer.

- (iii) If two medical certificates are sought and the medical opinions conflict, the employee and employer shall attempt to agree on a third registered general practitioner or medical specialist to provide a further medical certificate. If they cannot agree, the employer shall nominate the registered general practitioner.
- (iv) All costs associated with the second and third medical certificates shall be met by the employer.

6.5 Employer Initiated Process

- (a) **Pre-process**
Where the employer has reasonable grounds to consider that the employee may be medically unfit for work by reason of serious illness as per clause 6.3(b) the employer will in the first instance:
 - (i) write to the employee outlining the concerns and the grounds on which it has formed a view that medical retirement may be an appropriate option;
 - (ii) inform the employee she/he is entitled to attend up to three sessions from an employee assistance programme (EAP) and extend to the employee the opportunity to access EAP counselling;
 - (iii) outline the medical retirement process should the employer proceed with the process; and
 - (iv) inform the employee of his/her right to have a representative.

Note: Reasonable grounds is explained above. The EAP provides to the employee direct access to an independent counsellor on a short term, confidential basis to address personal issues that impact on the workplace. Where the EAP provider recommends further sessions the employer shall consider whether to fund additional sessions.

Initiation of Process

- (b) **Registered Medical Specialist**
Following the completion of the pre-process
 - (i) Where the employer proceeds with the process, the employee shall undergo a medical examination from a registered medical specialist nominated by the employer.
Note: No concurrence will be given without the specified medical evidence being provided.
 - (ii) The medical specialist shall provide in writing a description of the employee's illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision.
 - (iii) The employee is entitled to seek a second medical specialist's opinion.
 - (iv) Where two medical specialist opinions are sought and these medical opinions agree that the employee will not be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, then the employer may seek concurrence to medically retire the employee.
- (c) **Registered General Practitioner**
 - (i) If the employer is unable to obtain a registered medical specialist opinion in a timely fashion, or by virtue of distance, then the employee will undergo a medical examination from a registered general practitioner nominated by the employer (or two general practitioners if the employee so wishes, one nominated by the employer and the other by the employee). The general practitioner(s) shall provide in writing the following:
 - a description of the employee's illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision; and
 - attestation that the employee could not obtain an opinion from a registered medical specialist.
 - (ii) Where two medical opinions from a general practitioner are sought and these medical opinions conflict, the employee and employer shall attempt to agree on a third registered general practitioner to provide a further medical certificate. If they cannot agree, the employer shall nominate the registered general practitioner.

(d) **Costs associated with examinations**

All costs associated with the medical examination(s) and the EAP shall be met by the employer.

- 6.6 Where the majority of medical evidence does not support a claim for medical retirement under this provision this process shall cease.

Note: The intention of this clause is to bring an end to this process.

6.7 **Seeking Concurrence**

- (a) Where the majority of medical evidence supports the application for medical retirement as per clause 6.3(b), the employer shall seek the concurrence of the Secretary for Education to medically retire the employee.

Note: Applications for concurrence for medical retirement will be granted where the following criteria have been met:

- (b) All applications for concurrence must be in writing and accompanied by the correct documentation.

Note: 1: The process has been followed; and

2: The medical evidence has been supplied in sufficient detail so as to support the application for medical retirement as specified in clause 6.3(b).

6.8 **Medical Retirement Options**

Upon receiving notification that the Secretary for Education has granted concurrence, the employer shall notify the employee that she/he is medically retired as of the date of the Secretary's notification. No notice is payable. The employee shall be medically retired and choose one of the following medical retirement options:

Note: The employee is not entitled to change options once the option has been actioned. Disregarded sick leave is not able to be converted to a payment under any of the provisions of medical retirement

(a) **Medical Retirement Payment**

A lump sum payment of 13 weeks' salary plus an additional week for each year of service after 25 years service, up to a maximum of 13 weeks (i.e. the total maximum payment payable under this provision is 26 weeks). Any paid sick leave taken by the employee in the four weeks prior to the application to medically retire shall be subtracted from the payment.

Note: Payment will be based on the normal fortnightly salary of the employee at the time of medical retirement. It does not attract any salary increment that may fall due after the date of medical retirement. Holiday pay to the date of medical retirement is payable. The lump sum does not attract holiday pay. 26 weeks equals 13 weeks payment plus up to 13 weeks payment for each year of service after 25 years.

(b) **Post-dated medical retirement**

The employee remains on paid sick leave and receives his/her normal fortnightly salary until the sick leave entitlement is exhausted. All entitlements continue to be paid. In the event that the employee deceases before sick leave is exhausted no claim can be made by any person or agency on the outstanding balance. The employee remains employed for the purpose of payment of salary only.

Note: The employee is entitled to continue to receive superannuation employer contributions, and salary increases as per the ASTCA. Should a new ASTCA be settled after the employee's sick leave entitlement is exhausted, no back payment of any negotiated increases shall apply. The employee is not entitled to increment up the salary scale where she/he has not met the professional standards. Holiday pay will accrue during this period in accordance with the ASTCA provisions. Where an employee elects post-dated medical retirement she/he will continue to be paid sick leave until it is exhausted.

(c) **Receive remaining sick leave as a single payment**

The employee will receive the remainder of his/her sick leave as a lump-sum payment.

Note 1: For the sake of completeness please note that all payments are subject to normal tax provisions.

Note 2: The employee can cash up the outstanding sick leave balance as at the final day of employment.

6.9 Vacant Position Appointment

From the date the Secretary for Education gives notification of concurrence to medical retirement, regardless of the option chosen by the employee under clause 6.8, the employer shall be entitled to make a permanent appointment to the position as if that position were vacant.

Note: This position shall be advertised in the Education Gazette as an actual vacancy position. The Education Council will be notified by the employer that the employee has been medically retired.

6.10 Eligibility for Compassionate Grant

A compassionate grant as per clause 3.22 is payable to the estate of an employee who deceases within 12 months of the date medical retirement is approved under this provision (for the sake of clarity this date is from the date of retirement as per clause 6.8) except that if the amount of sick leave remaining under option clause 6.8(b) exceeds 12 months, the entitlement to the compassionate grant shall remain until the sick leave has been exhausted.

Note: Regardless of which entitlement is activated under this scheme, the date of medical retirement is the date the Secretary for Education granted concurrence.

6.11 Re-entry policy

It is not contemplated that when an employee is medically retired from the teaching profession that she/he will return to work as an employee in the future. It is however acknowledged that in exceptional circumstances an employee may become medically fit to work in the teaching service.

Where an employee who has been medically retired under any clause set out in this Appendix is declared medically fit by a registered medical specialist and is reemployed in any teaching position in the Education Service (as defined in section 2 of the State Sector Act) the following shall apply:

- (a) The employee shall be entitled to sick leave in accordance with the provisions of the Holidays Act 2003 and not the provisions in the ASTCA.
- (b) Where employment in any teaching position in the Education Service (as defined in section 2 of the State Sector Act) commences within a number of weeks which is less than the number of weeks of payment received by the employee under clause 6.8(a) the employee shall refund the difference between the number of weeks for which she/he was without employment and the number of weeks for which the payment was calculated.
- (c) An employee cannot be medically retired twice for serious illness.

APPENDIX 7 – SALARY ON APPOINTMENT

***Note:** These provisions shall be applied in accordance with any administrative conditions that were in effect at the commencement of this Agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this Agreement except as may be expressly agreed to by the Secretary for Education after consultation with the unions.*

1. General

- 1.1 Salary on appointment depends on qualifications and credit for previous service as set out in clauses 5 to 8 below.

***Note:** The Ministry of Education verifies the level(s) of qualification(s) for salary purposes using information from the New Zealand Qualifications Authority and the Education Council of Aotearoa New Zealand.*

- 1.2 Service credits for salary purposes may be made up of teaching service in a New Zealand state or state integrated school (as outlined in clause 5.1 below), other teaching service (as outlined in clauses 6.1-6.4 below), relevant work experience other than teaching (as outlined in clause 7.1 below) and/or childcare (as outlined in clause 8.1 below).
- 1.3 Credit for each period of other teaching service, relevant work experience other than teaching, and childcare shall be calculated and credited only once, on appointment or reappointment to a teaching position in a New Zealand state or state integrated school.
- 1.4 For salary credit purposes the following definitions will apply:
- Full credit means that each year of equivalent service (or part thereof) will count as one year (or part thereof) of teaching service.
 - Half credit means that each year of equivalent service (or part thereof) will count as six months (or part thereof) of teaching service.
 - One third credit means that each year of equivalent service (or part thereof) will count as four months (or part thereof) of teaching service.

2. First appointment

- 2.1 When a teacher is appointed to their first teaching position in a state or state integrated school the qualification group determines the entry point on the base salary scale. Service credits are added to that entry point to determine a teacher's salary on appointment.

3. Reappointment after a break in service

- 3.1 When a teacher returns to a teaching position in a New Zealand state or state integrated school after a break their re-entry point on the base salary scale shall be the equivalent of the step held on the date of cessation.
- 3.2 Where the qualification group of a returning teacher is higher than the one previously held and the entry step for the new qualification group is higher than the step the teacher had progressed to at the date of cessation, the higher step shall be the teacher's entry point on the base salary scale.
- 3.3 Service credit, for service that has not already been credited, shall be added to that entry point to determine a teacher's salary on appointment.

4. Improved qualifications for teachers in an ongoing appointment

- 4.1 Teachers in current positions may request assessment of improved or additional qualification(s) as set out in clause 3.2.1(f) of Part Three of this Agreement.

5. Teaching service in a state or state integrated school

- 5.1 Unless otherwise stated, teaching service shall be the aggregate of service paid as a teacher in any New Zealand state or state integrated school, or as a qualified teacher employed within the Ministry of Education, the New Zealand Qualification Authority or the Education Review Office in a role to which their teaching service is relevant as follows:

- (a) the aggregate of teaching service that is:
 - (i) full-time service – where permanent and/or non-permanent full-time and/or non-permanent part-time for 20 hours or more per week shall be counted as full-time
 - (ii) non-permanent part-time teaching service of less than 20 hours per week, where 80 hours equals one month of full-time service or 1000 hours equals one year of full-time service
 - (iii) all paid holidays, paid leave, periods of sick leave (with or without pay) and any period without pay during a holiday arising from periods of sick leave without pay
 - (iv) special leave without pay, not exceeding an aggregate of three months in any school year. Where a teacher completes verified recognised employment during special leave without pay, the teacher can receive salary credit for either the employment or the aggregate of leave without pay, but not both.

Note: Where special leave without pay of more than three months is taken, and the teacher is not employed during that time in a position on which salary credit is allowable, any period of the leave in excess of three months will not count as service towards the teacher's next incremental date.

6. Other teaching service

- 6.1 Other teaching service for salary purposes shall include an aggregate of all teaching service in the employment of:
- (a) a university
 - (b) a registered initial teacher education provider
 - (c) a polytechnic
 - (d) a New Zealand registered private school
 - (e) a free kindergarten association and/or registered teacher-led early childhood centre; and/or
 - (f) an overseas school provided it was a state school or a school subject to state inspection subject to clause 6.3 below.
- 6.2 Full credit shall be granted where the service in clause 6.1(a) to (f) above was as a registered teacher or was a teacher who held the equivalent of a recognised New Zealand teaching qualification, otherwise where the service in clause 6.1(a) to (f) above was not as a registered teacher or evidence of registration cannot be provided, half credit shall apply.
- 6.3 Overseas teachers who gain registration through either the Education Council's comparable qualifications or core components pathways will be deemed to have met the requirements for registration from the date they completed that/those qualification(s). For the purposes of Appendix B clause 6.1, overseas teaching service will count from the date the NZQA deems those qualification(s) to have been completed. Relevant work experience (including overseas teaching service completed prior to that date) will be determined under Appendix B clause 7.1.
- 6.4 Overseas teachers who gain registration through the Education Council's discretionary pathway will be deemed to have met the registration requirements from the date registration is granted in New Zealand. Overseas teaching service completed after the date registration is granted in New Zealand will be determined under Appendix B clause 6.1 and relevant work experience (including overseas teaching experience completed prior to the date registration is granted in New Zealand) will be determined under Appendix B clause 7.1.

7. Relevant work experience other than teaching

- 7.1 Work experience other than teaching, attested by the employer as being directly relevant to a teacher's curriculum and/or pastoral duties, shall receive the following service credit for salary purposes:
- (a) half credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 5 on the National Qualifications Framework.

- (b) one third credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 4 on the National Qualifications Framework.
- (c) one third credit to a maximum of two salary steps for relevant work experience where no vocational qualification at Level 4 or higher on the National Qualifications Framework was completed prior to that work.
- (d) half credit up to a maximum of two steps additional service credit on the salary scale, shall be given for relevant paid work experience as a Kaiarahi i te Reo, Kaiawhina, Teacher Aide, Special Education Assistant or Assistant to Teachers of Students with Severe Disabilities.

Note: Where a teacher has service credits under both (c) and (d) above, the service under (d) shall be credited first, and any additional service under (c) will then be credited.

8. Childcare

- 8.1 One third credit shall be given where a teacher resigns or takes leave from the New Zealand teaching service in order to care for her/his own children provided that the teacher was a registered teacher (or equivalent) at the time of resigning or taking leave, otherwise no credit will be given.

Note: *The one third credit shall apply to the total time away from teaching, excluding any periods for which salary credit is given under clauses 5, 6 or 7 above.*

Refer clause 5.6.10.

6. Sick leave and salary credits for calculating equivalent service

The addition of a new Appendix 7 – Salary on Appointment and the revision of the sick leave clauses in Part Five are intended to make the collective agreement easier to understand and be applied.

It is not the intention of the parties to reduce the entitlement of any teacher to whom Appendix 7 – Salary on Appointment and the sick leave clauses in Part Five apply and the parties agree that no change is to be interpreted as reducing the terms and conditions of any teacher covered by the provisions or altering the operation or administration of those provisions.

The parties agree to:

- a new Appendix 7 (Attachment B).
- revised clause 3.2.1(d) (see Attachment B);
- deletion of clause 3.2.2
- renumbering of current clauses 3.2.3, 3.2.4 and 3.2.5 to 3.2.2, 3.2.3 and 3.2.4 respectively
- revised sick leave provisions, clause 5.1 (Attachment C).

Revised wording for cl 3.18 and Schedule 3 (Attachment D).

8. Payment in lieu of notice where employment is terminated

The parties agree to allow boards the ability to pay out up to two months' salary in lieu of notice to any teacher who is dismissed with notice, except in cases of serious misconduct.

Amend cl 2.8 to the following:

- 2.8 (a) *The notice required to be given to a permanently appointed teacher who holds a position which was advertised shall be two months, and for such a teacher who holds such a position the notice to be given to the employer shall be two months, except where the teacher and the employer agree to a lesser period of notice from the teacher.*
- (b) *Where an employer has dismissed an employee, except in cases of serious misconduct, the employer at their discretion may provide up to two months' salary in lieu of notice. In cases of serious misconduct the provisions of clause 2.4.3(e) shall apply.*

Current clauses 2.8 (b), (c) and (d) would then become clauses 2.8 (c), (d) and (e).

9. Reimbursing Allowances

The parties have agreed to remove the Trailer Towing Allowance by the deletion of clause 1.4 from Appendix 1 and clause 6.4.2 from Part Six of the Agreement.

10. Payment of Education Council practising certificate fees

From 8 April 2016 to 7 April 2019, the Secretary for Education agrees to cover the cost of any fees set by the Education Council of Aotearoa New Zealand (Education Council), pursuant to section 364(1) of the Education Act 1989, for the purposes of the issuing or renewal of practising certificates for teachers covered by the Area School Teachers' Collective Agreement 2016 - 2019. The costs of any such fees over the period will be paid directly by the Secretary for Education to the Education Council.

11. Employment Relations Act Provisions

The parties agree to amend Part Eight. See clause wording in Attachment E.

12. Staffing Incentives

To ensure that resources are best directed to areas of need the Secretary will consult with NZEI Te Riu Roa, the PPTA Te Wehengarua, and NZSTA during the term of the agreement about the extent to which the staffing incentive provisions in the ASTCA are fit for their intended purpose.

13. Wording of clauses relating to Communities

The parties agree to incorporate any ratified variation to the clauses of the agreement to reflect the introduction of Community roles agreed prior to the printing of the agreement.

The parties agree to include all technical changes agreed between the parties.

Acknowledgement

The parties on signing this document acknowledge that, subject to any subsequent agreed editorial changes, this Terms of Settlement reflects the agreements reached in the settlement of the Area School Teachers' Collective Agreement 2016-2019.

Attachment B – Salary on Appointment

Amend clause 3.2.1(d) as follows:

- (d) Teachers with previous teaching and/or other recognised service and/or relevant work experience other than teaching, shall be paid at the appropriate step of the relevant qualification group, subject to the provisions of Appendix 7.

Delete clause 3.2.2

Renumber clauses 3.2.3, 3.2.4 and 3.2.5 to clauses 3.2.2, 3.2.3 and 3.2.4 respectively

New Appendix 7 – Salary on appointment

Note: These provisions shall be applied in accordance with any administrative conditions that were in effect at the commencement of this Agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this Agreement except as may be expressly agreed to by the Secretary for Education after consultation with the unions.

1. General

- 1.1 Salary on appointment depends on qualifications and credit for previous service as set out in clauses 5 to 8 below.

Note: The Ministry of Education verifies the level(s) of qualification(s) for salary purposes using information from the New Zealand Qualifications Authority and the Education Council of Aotearoa New Zealand.

- 1.2 Service credits for salary purposes may be made up of teaching service in a New Zealand state or state integrated school (as outlined in clause 5.1 below), other teaching service (as outlined in clauses 6.1-6.4 below), relevant work experience other than teaching (as outlined in clause 7.1 below) and/or childcare (as outlined in clause 8.1 below).
- 1.3 Credit for each period of other teaching service, relevant work experience other than teaching, and childcare shall be calculated and credited only once, on appointment or reappointment to a teaching position in a New Zealand state or state integrated school.
- 1.4 For salary credit purposes the following definitions will apply:
- Full credit means that each year of equivalent service (or part thereof) will count as one year (or part thereof) of teaching service.
 - Half credit means that each year of equivalent service (or part thereof) will count as six months (or part thereof) of teaching service.
 - One third credit means that each year of equivalent service (or part thereof) will count as four months (or part thereof) of teaching service.

2. General

- 2.1 When a teacher is appointed to their first teaching position in a state or state integrated school the qualification group determines the entry point on the base salary scale. Service credits are added to that entry point to determine a teacher's salary on appointment.

3. Reappointment after a break in service

- 3.1 When a teacher returns to a teaching position in a New Zealand state or state integrated school after a break their re-entry point on the base salary scale shall be the equivalent of the step held on the date of cessation.
- 3.2 Where the qualification group of a returning teacher is higher than the one previously held and the entry step for the new qualification group is higher than the step the teacher had progressed to at the date of cessation, the higher step shall be the teacher's entry point on the base salary scale.
- 3.3 Service credit, for service that has not already been credited, shall be added to that entry point to determine a teacher's salary on appointment.

4. Improved qualifications for teachers in an ongoing appointment

- 4.1 Teachers in current positions may request assessment of improved or additional qualification(s) as set out in clause 3.2.1(f) of Part Three of this Agreement.

5. Teaching service in a state or state integrated school

- 5.1 Unless otherwise stated, teaching service shall be the aggregate of service paid as a teacher in any New Zealand state or state integrated school, or as a qualified teacher employed within the Ministry of Education, the New Zealand Qualification Authority or the Education Review Office in a role to which their teaching service is relevant as follows:

- (a) the aggregate of teaching service that is:
- (i) full-time service – where permanent and/or non-permanent full-time and/or non-permanent part-time for 20 hours or more per week shall be counted as full-time
 - (ii) non-permanent part-time teaching service of less than 20 hours per week, where 80 hours equals one month of full-time service or 1000 hours equals one year of full-time service
 - (iii) all paid holidays, paid leave, periods of sick leave (with or without pay) and any period without pay during a holiday arising from periods of sick leave without pay
 - (iv) special leave without pay, not exceeding an aggregate of three months in any school year. Where a teacher completes verified recognised employment during special leave without pay, the teacher can receive salary credit for either the employment or the aggregate of leave without pay, but not both.

Note: Where special leave without pay of more than three months is taken, and the teacher is not employed during that time in a position on which salary credit is allowable, any period of the leave in excess of three months will not count as service towards the teacher's next incremental date.

6. Other teaching service

- 6.1 Other teaching service for salary purposes shall include an aggregate of all teaching service in the employment of:
- (i) a university
 - (ii) a registered initial teacher education provider
 - (iii) a polytechnic
 - (iv) a New Zealand registered private school
 - (v) a free kindergarten association and/or registered teacher-led early childhood centre; and/or
 - (vi) an overseas school provided it was a state school or a school subject to state inspection subject to clause 6.3 below.
- 6.2 Full credit shall be granted where the service in clause 6.1(a) to (f) above was as a registered teacher or was a teacher who held the equivalent of a recognised New Zealand teaching qualification, otherwise where the service in clause 6.1(a) to (f) above was not as a registered teacher or evidence of registration cannot be provided, half credit shall apply.
- 6.3 Overseas teachers who gain registration through either the Education Council's comparable qualifications or core components pathways will be deemed to have met the requirements for registration from the date they completed that/those qualification(s). For the purposes of Appendix B clause 6.1, overseas teaching service will count from the date the NZQA deems those qualification(s) to have been completed. Relevant work experience (including overseas teaching service completed prior to that date) will be determined under Appendix B clause 7.1.
- 6.4 Overseas teachers who gain registration through the Education Council's discretionary pathway will be deemed to have met the registration requirements from the date registration is granted in New Zealand. Overseas teaching service completed after the date registration is granted in New Zealand will be determined under Appendix B clause 6.1 and relevant work experience (including overseas teaching experience completed prior to the date registration is granted in New Zealand) will be determined under Appendix B clause 7.1.

7. Relevant work experience other than teaching

7.1 Work experience other than teaching, attested by the employer as being directly relevant to a teacher's curriculum and/or pastoral duties, shall receive the following service credit for salary purposes:

- (a) half credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 5 on the National Qualifications Framework.
- (b) one third credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 4 on the National Qualifications Framework.
- (c) one third credit to a maximum of two salary steps for relevant work experience where no vocational qualification at Level 4 or higher on the National Qualifications Framework was completed prior to that work.
- (d) half credit up to a maximum of two steps additional service credit on the salary scale, shall be given for relevant paid work experience as a Kaiarahi i te Reo, Kaiawhina, Teacher Aide, Special Education Assistant or Assistant to Teachers of Students with Severe Disabilities.

Note: Where a teacher has service credits under both (c) and (d) above, the service under (d) shall be credited first, and any additional service under (c) will then be credited.

8. Childcare

8.1 One third credit shall be given where a teacher resigns or takes leave from the New Zealand teaching service in order to care for her/his own children provided that the teacher was a registered teacher (or equivalent) at the time of resigning or taking leave, otherwise no credit will be given.

Note: *The one third credit shall apply to the total time away from teaching, excluding any periods for which salary credit is given under clauses 5, 6 or 7 above.*

Attachment C – Sick Leave

5.1 Sick Leave

- 5.1.1 (a) A teacher who is granted leave due to sickness or injury not arising out of or in the course of the teacher's employment shall be entitled to sick leave on pay for a period or periods not exceeding the amounts set out in the table below.

LENGTH OF SERVICE	AGGREGATED SICK LEAVE ENTITLEMENT
Up to 3 months	7 days
Over 3 months and up to 6 months	14 days
Over 6 months and up to 9 months	31 days
Over 9 months and up to 5 years	46 days
Over 5 years and up to 10 years	92 days
Over 10 years and up to 20 years	154 days
Over 20 years and up to 30 years	229 days
Over 30 years	306 days

- (b) The amount of sick leave available shall be the teacher's aggregated sick leave entitlement set out in the table above, less the total amount of sick leave with pay that the teacher has taken during their teaching service to date.
- (c) Notwithstanding clause 5.1.1(a) above, a short-term relieving teacher has a sick leave entitlement based on the aggregate of the service completed since the last date of permanent employment, where every 190 days or 950 hours of short-term relief service equals one year of sick leave service.
- (d) Where a teacher has exhausted their current entitlement set out in the table in clause 5.1.1(a);
- (i) in each subsequent year the employer will allow the teacher to anticipate up to five days' paid sick leave.
 - (ii) in exceptional circumstances the employer may grant further anticipated sick leave with pay in excess of the entitlement set out in clause 5.1.1(a), provided that no extension may be granted beyond 306 days.
 - (iii) any anticipated sick leave taken under (i) or (ii) above will be deducted from the teacher's next entitlement under clause 5.1.1(a) when the entitlement becomes due.
- (e) Where a teacher has exhausted their entitlement set out in the table in clause 5.1.1(a) and has no future entitlement under clause 5.1.1(a), the teacher shall be granted sick leave in accordance with the Holidays Act 2003.

5.1.2 Service for sick leave purposes

- (a) The total period of the "length of service" which determines the teacher's sick leave entitlement outlined in clause 5.1.1(a) shall be the aggregate of employment as a teacher in:
- (i) a New Zealand state or state integrated school;
 - (ii) a New Zealand free kindergarten association, university, or polytechnic;
 - (iii) Fiji, Cook Islands, Tonga, Western Samoa or Niue.
- (b) The following teaching service is counted as full-time:
- (i) fulltime service;
 - (ii) permanent part-time service;
 - (iii) non permanent part-time service that consists of employment for 20 hours or more per week.
- (c) Non permanent part-time teaching service of less than 20 hours per week is assessed on the basis that 80 hours equals one month's service or 1000 hours equals one year's service.

- (d) Service in the New Zealand Public Service and/or Armed Forces may be converted to teaching sick leave entitlement on such terms as the Secretary for Education may agree. Deductions for sick leave taken from transferred New Zealand Public Service and/or Armed Forces service shall be converted to deductions from the teaching sick leave entitlement using the formula $T/P \times S = E$ where:

- T = Teachers' sick leave entitlement on years of service;
- P = Public Servants' sick leave entitlement on years of service;
- S = Sick Leave taken as a Public Servant;
- E = Equivalent number of days of sick leave as if taken as a teacher.

Note 1: For the calculation of a teacher's sick leave entitlement, the total period of a teacher's "length of service" will continue to include employment as a teacher by a former education board, a secondary school board, a private school which has become integrated, a community college, a technical institute, a teacher's college, the former Department of Education or an agricultural college.

Note 2: Service for sick leave purposes does not include:

- study time while a teacher is not employed in the education service, or when on leave without pay of more than 90 calendar days,
- teaching in private schools (except for teachers in private schools which become integrated),
- teaching overseas except in the Pacific countries listed in clause 5.1.2(a)iii above,
- trade service, or
- service as a member of the Armed Forces of another country.

5.1.3 Granting sick leave

- (a) The employer shall grant sick leave on pay with the following conditions:

- (i) While a medical certificate will not normally be required for leave of up to five days, where it is considered warranted, an employer may require a teacher to produce a medical certificate or other evidence satisfactory to the employer.
- (ii) For sick leave within three consecutive calendar days (whether or not the days would otherwise be working days for the teacher) the employer may inform the teacher that proof of sickness or injury is required and, if so, the employer will agree to meet the employee's reasonable expenses in obtaining the proof.
- (iii) When a period of sick leave exceeds five school days a medical certificate from a registered medical or dental practitioner must be provided to the employer. If the teacher cannot obtain a medical or dental certificate other evidence satisfactory to the employer may be provided.
- (iv) When a period of sick leave exceeds 14 days an employer may require the teacher to provide a medical certificate from a registered medical or dental practitioner stating the expected date the teacher will be able to return to work. The employer may require the teacher to provide further medical certificates should the sick leave continue beyond the expected date of return stated in this or subsequent medical certificates.
- (v) When a period of sick leave exceeds 14 days the employer may require the teacher to obtain a second medical opinion from an independent registered medical or dental practitioner nominated by the employer and agreed to by the teacher provided that such agreement shall not be unreasonably withheld. The cost of a second medical opinion will be met by the employer.

5.1.4 Deduction from sick leave entitlement

- (a) Full-time teachers will have sick leave deducted from the entitlement set out in clause 5.1.1(a) above as follows:

- (i) where the period of absence does not exceed five consecutive school days the days of absence are deducted i.e. intervening Saturday or Sunday do not count as leave.
- (ii) where the period of absence exceeds five consecutive school days the continuous days are deducted i.e. all intervening weekends count as leave.
- (iii) public holidays and school vacations that fall during a period of paid sick leave do not count as leave.

- (b) Part-time teachers shall have each day of absence deducted as a full day from the entitlement in clause 5.1.1(a) above. The days to be deducted shall be only those days which would normally have been worked and shall not include any intervening free days except where the part-time teacher works on five days of the week when, as with full-time teachers, the intervening weekend days will be counted as sick leave.

5.1.5 Teachers temporarily working reduced hours on account of sickness

- (a) The employer may allow at its discretion a teacher who has been on sick leave to return to duty on a reduced hours basis if the teacher's doctor so recommends and provides a medical clearance, and there would be no staffing or timetabling problems for the school. This arrangement should not, however, normally be allowed to continue for more than six weeks. The provisions (b) to (e) below will apply:
- (b) The daily hours not worked are to be aggregated and debited against sick leave on the basis of a five-hour day. For example, where a full-time teacher is present for:
 - (i) 20 timetabled hours in one week = 5 hours absent = 1 day sick leave debited
 - (ii) 17.5 timetabled hours in one week = 7.5 hours absent = 1.5 days sick leave debited.
- (c) Whole days or half-days of absence are to be debited as whole or half-days.
- (d) When the absence is on account of injury by accident and earnings-related compensation is payable to the teacher, normal pay is to continue and the Secretary for Education is to obtain reimbursement of earnings related compensation from the Accident Compensation Corporation in accordance with the usual procedures.
- (e) If the accident was work related there is no debit against sick leave entitlement. However, if the accident was non-work related, the sick leave entitlement is debited to the extent to which the salary payable for time actually worked plus the earnings-related compensation is made up to give normal full salary (provided, the teacher has a sick leave entitlement available).

5.1.6 Disregarded Sick Leave

- (a) Disregarded sick leave not exceeding an overall aggregate of two years may be granted by the Secretary for Education where in the opinion of the Secretary one of the following conditions has been met:
 - (i) The sickness can be traced directly to the conditions or circumstances under which the teacher is working; or
 - (ii) The injury occurred in the discharge of the teacher's duties through no fault of the teacher; and where no payment has been made by the Accident Compensation Corporation; or
 - (iii) The teacher has contracted a notifiable disease which requires the teacher to be excluded from school for a period prescribed under Schedule 2 of the Health (Infectious and Notifiable Diseases) Regulations 1966 or for a period determined by a Medical Health Officer; or
 - (iv) The teacher has contracted hepatitis or tuberculosis, where the period of disregarded sick leave is the time that the teacher's treating registered medical practitioner decides is necessary for the teacher to remain away from school; or
 - (v) The absence was due to war injury or to war service.
- (b) Where the sick leave has been deducted for any period granted as disregarded sick leave under clause 5.1.6(a)(i) to 5.1.6(a)(v) above, the sick leave will be reinstated.
- (c) Disregarded sick leave is additional to any period of absence on account of sickness or injury to which the teacher is entitled with full salary in accordance with the scale set out in clause 5.1.1(a) above.
- (d) Fixed term or relieving teachers shall only be granted disregarded sick leave, as provided for in clause 5.1.6 (a) above, where they have been in continuous employment before the date of application.

5.1.7 Holiday pay deductions

- (a) Holiday pay is not reduced for periods of sick leave with pay
- (b) When teachers have used their current sick leave entitlement holiday pay may be reduced for periods of sick leave without pay on the following conditions:
 - (i) No deduction is to be made from the holiday pay of teachers for periods of sick leave without pay for periods not exceeding 90 calendar days in any one school year.
 - (ii) Where the total amount of sick/accident leave without pay is in excess of 90 calendar days the deduction is based on the period subsequent to the initial 90 calendar days. The initial 90 calendar days are unaffected.

- (c) Teachers with a current sick leave entitlement who apply to receive sick leave without pay will have holiday pay reduced in proportion to the unpaid leave taken (as per clause 3.24.3) and should be advised of this when notified of the approval of sick leave without pay.
- (d) Clause 5.1.7(b) above will apply to all fixed term or relieving teachers who have completed at least 90 calendar days' continuous service.

Attachment D – Eligibility Criteria for the Service Increment

3.18 Service Increment

- 3.18.1 A teacher is eligible for the Service Increment (Increment) if the teacher:
- (a) is permanently appointed to a teaching position; and
 - (b) has been attested by the principal as having met the requirements of the Schedule – Professional Standards For Area School Teachers – Criteria For Quality Teaching; and
 - (c) has completed three years' teaching service on their maximum step of the trained teachers' base salary scale for the teacher's qualification group; and

- 3.18.4 A teacher eligible for the Increment under clause 3.18.1 shall have the payment backdated to the date they became eligible to receive the increment provided that no backdating exceeds 36 months from the date of application.
- 3.18.5 Eligibility for the Increment once approved, remains (subject to 3.18.6 and 3.18.7 below) if the teacher moves to a new teaching position in the area school sector, whether permanent or not, regardless of breaks in service.
- 3.18.6 Payment of the Increment will cease should a teacher be appointed to a position which has allocated more than three permanent unit(s), or upon the allocation of more than three permanent unit(s) to the teacher in her/his existing position. Payment of the Increment will resume should the teacher cease to hold a position allocated more than three permanent unit(s).
- 3.18.7 Payment of the Increment will cease should a teacher improve their qualification group. Once the teacher has met the eligibility requirements outlined in clause 3.18.1(b) to (e) for the new qualification group payment of the Increment shall resume.

Attachment E – Employment Relations Act Provisions

Part Eight – Employment Relationship Problem Resolution Provisions

Personal grievances and disputes shall be addressed in accordance with the provisions of Part 9 of the Employment Relations Act 2000.

8.1 Employment Relationship Problem Resolution Services

The following is a plain language explanation of the employment relationship problem resolution services.

What is an employment relationship problem?

It is a problem between employee and employer. For example, it might be a personal grievance or a dispute about a provision in an employment agreement.

Resolving an employment relationship problem

The employee and employer should first make a reasonable effort to discuss the problem and settle it by mutual agreement. (If it's a personal grievance, it **must** first be raised with the employer and **within 90 days** - Personal Grievances are explained further below).

An employee (or employer) has the right to be represented at any stage.

When a problem arises, union members should contact their local NZEI or PPTA field officer for advice and representation.

Employers should contact their local NZSTA adviser or other representative of their choice.

Personal Grievances

A personal grievance is a particular type of employment relationship problem that normally must be raised with the employer within 90 days of the grievance arising.

An employee may have a personal grievance where:

- They have been dismissed without good reason, or the dismissal was not carried out properly
- They have been treated unfairly
- Their employment or a condition of their employment has been affected to their disadvantage by an unjustified action of their employer.
- They have experienced sexual or racial harassment, or have been discriminated against because of their involvement in a union or other employee organisation, or have suffered duress over membership or non-membership of a union or other employee organisation.
- They have been discriminated against in terms of the prohibited grounds of discrimination under the Human Rights Act 1993.

Note: *The full meaning of the terms personal grievance, discrimination, sexual harassment, racial harassment, and duress, shall be the meaning given by sections 103 to 110 inclusive of the Employment Relations Act 2000.*

As with other employment relationship problems, the parties should always try to resolve a personal grievance through discussion.

Either party can refer a personal grievance to the Employment Relations Service of the Ministry of Business, Innovation & Employment for mediation assistance, or to the Employment Relations Authority.

If the problem relates to a type of discrimination that can be the subject of a complaint to the Human Rights Commission under the Human Rights Act 1993, the person can either take a personal grievance, or complain to the Human Rights Commission, but not both. If in doubt, advice should be sought before deciding.

Services Available

To help resolve employment relationship problems, the Ministry of Business, Innovation and Employment provides:

An information service

This is free. It is available by contacting the Ministry of Business, Innovation and Employment or by phoning toll free 0800 209020. The Ministry's Employment Relations Service's internet address is <http://employment.govt.nz/er/>.

Mediation Service

The Mediation Service is a free and independent service available through the Ministry of Business, Innovation and Employment. This service helps to resolve employment relationship problems and generally to promote the smooth conduct of employment relationships.

Mediation is a mutual problem solving process, with the aim of reaching an agreement, assisted by an independent third party.

If the parties can't reach a settlement they can ask the mediator, in writing, to make a final and binding decision.

A settlement reached through mediation and signed by the mediator at the request of the parties is final, binding and enforceable. Neither party can then take the matter any further and either party can be made to comply with the agreed settlement by court order.

If the problem is unresolved through mediation either party may apply to have the matter dealt with by the Employment Relations Authority.

The Employment Relations Authority

This Authority is an investigative body that operates in an informal way. It looks into the facts and makes a decision on the merits of the case and not on the legal technicalities.

Either an employer or an employee can refer an unresolved employment relationship problem to the Authority by filing the appropriate forms.

The Authority may call evidence, hold investigative meetings, or interview anyone involved. It can direct the parties to try mediation. If mediation is unsuitable or has not resolved the problem, the Authority will make a decision that is binding on all parties. Any party can contest the Authority's decision through the Employment Court.

Note: *All employment relationship problems, including personal grievances and any dispute about the interpretation or application of this agreement, must be resolved under Parts 9 and 10 of the Employment Relations Act 2000.*

8.2 Personal Grievance

Sections 103 to 110 are reproduced below from Part 9 of the Employment Relations Act 2000.

103 Personal Grievance

- (1) For the purposes of this Act, **personal grievance** means any grievance that an employee may have against the employee's employer or former employer because of a claim-
 - (a) that the employee has been unjustifiably dismissed; or
 - (b) that the employee's employment, or 1 or more conditions of the employee's employment (including any condition that survives termination of the employment), is or are or was (during employment that has since been terminated) affected to the employee's disadvantage by some unjustifiable action by the employer; or
 - (c) that the employee has been discriminated against in the employee's employment; or
 - (d) that the employee has been sexually harassed in the employee's employment; or
 - (e) that the employee has been racially harassed in the employee's employment; or
 - (f) that the employee has been subject to duress in the employee's employment in relation to membership or non-membership of a union or employees organisation; or
 - (g) that the employee's employer has failed to comply with a requirement of Part 6A; or
 - (h) *[Repealed]*.
- (2) For the purposes of this Part, a **representative**, in relation to an employer and in relation to an alleged personal grievance, means a person-
 - (a) who is employed by that employer; and
 - (b) who either-
 - (i) has authority over the employee alleging the grievance; or
 - (ii) is in a position of authority over other employees in the workplace of the employee alleging the grievance.
- (3) In subsection (1)(b), unjustifiable action by the employer does not include an action deriving solely from the interpretation, application, or operation, or disputed interpretation, application, or operation, of any provision of any employment agreement.

103A Test of justification

- (1) For the purposes of section 103(1)(a) and (b), the question of whether a dismissal or an action was justifiable must be determined, on an objective basis, by applying the test in subsection (2).
- (2) The test is whether the employer's actions, and how the employer acted, were what a fair and reasonable employer could have done in all the circumstances at the time the dismissal or action occurred.
- (3) In applying the test in subsection (2), the Authority or the court must consider—
 - (a) whether, having regard to the resources available to the employer, the employer sufficiently investigated the allegations against the employee before dismissing or taking action against the employee; and
 - (b) whether the employer raised the concerns that the employer had with the employee before dismissing or taking action against the employee; and
 - (c) whether the employer gave the employee a reasonable opportunity to respond to the employer's concerns before dismissing or taking action against the employee; and
 - (d) whether the employer genuinely considered the employee's explanation (if any) in relation to the allegations against the employee before dismissing or taking action against the employee.

- (4) In addition to the factors described in subsection (3), the Authority or the court may consider any other factors it thinks appropriate.
- (5) The Authority or the court must not determine a dismissal or an action to be unjustifiable under this section solely because of defects in the process followed by the employer if the defects were—
 - (a) minor; and
 - (b) did not result in the employee being treated unfairly.

104 Discrimination

- (1) For the purposes of section 103(1)(c), an employee is **discriminated against in that employee's employment** if the employee's employer or a representative of that employer, by reason directly or indirectly of any of the prohibited grounds of discrimination specified in section 105, or by reason directly or indirectly of that employee's refusal to do work under section 28A of the Health and Safety in Employment Act 1992, or involvement in the activities of a union in terms of section 107,-
 - (a) refuses or omits to offer or afford to that employee the same terms of employment, conditions of work, fringe benefits, or opportunities for training, promotion, and transfer as are made available for other employees of the same or substantially similar qualifications, experience, or skills employed in the same or substantially similar circumstances; or
 - (b) dismisses that employee or subjects that employee to any detriment, in circumstances in which other employees employed by that employer on work of that description are not or would not be dismissed or subjected to such detriment; or
 - (c) retires that employee, or requires or causes that employee to retire or resign.
- (2) For the purposes of this section, **detriment** includes anything that has a detrimental effect on the employee's employment, job performance, or job satisfaction.
- (3) This section is subject to the exceptions set out in section 106.

105 Prohibited grounds of discrimination for purposes of section 104

- (1) The prohibited grounds of discrimination referred to in section 104 are the prohibited grounds of discrimination set out in section 21(1) of the Human Rights Act 1993, namely-

108 Sexual harassment

- (1) For the purposes of sections 103(1)(d) and 123(d), an employee is **sexually harassed in that employee's employment** if that employee's employer or a representative of that employer-

109 Racial harassment

- (1) For the purposes of sections 103(1)(e) and 123(d), an employee is **racially harassed in the employee's employment** if the employee's employer or a representative of that employer uses language (whether written or spoken), or visual material, or physical behaviour that directly or indirectly-

110 Duress

- (1) For the purposes of section 103(1)(f), an employee is **subject to duress in that employee's employment in relation to membership or non-membership of a union or employees organisation** if that employee's employer or a representative of that employer directly or indirectly-

SCHEDULE 2 - DEALING WITH SEXUAL HARASSMENT

Sexual harassment is not acceptable to the Institute or Association. Ways of dealing with it in the workplace are set out in the chart.

The offence given by the harassment is to be judged by the complainant. Principals must consider complaints seriously and sympathetically, ensuring that no victimisation of the complainant occurs.

A school's board of trustees must have policies and procedures to eliminate sexual harassment in the school. The school charter requires that there are appropriate and proper procedures to handle complaints.

Human Rights Act 1993: Sexual harassment is a type of sex discrimination which may impair the employee sufficiently to the detriment of work performance. Harassment thus "causes an employee to be subjected to detriment in terms of Section 15" of the Act, "because such harassment takes away from the employee equal employment opportunities, by creating a working environment in which that employee's ability to perform is impaired". The Human Rights Commissioner may investigate, act as conciliator or decide on civil proceedings before the Equal Opportunities Tribunal (see Human Rights Commission Act 1977, Part III, Sections 34, 37, 38).

Personal grievance and sexual harassment: Personal grievance can be a remedy for sexual harassment (see Part Eight of the **agreement**).

A complainant may choose to seek remedies either through the personal grievance procedures or the Human Rights Commissioner, but not through both.

SCHEDULE 3 – SERVICE INCREMENT

As provided in clause 3.18.9 the acquisition of an additional qualification before the service increment is payable is not a requirement for the following categories of teacher:

- (a) Teachers confirmed in the former List B on 1 February 1971;
- (b) Teachers serving at 1 February 1971, who translated from the former Qualification Group B1 to Group IIIb, and who were at that date classified in the former List A, are automatically exempted from the qualification criterion and are eligible for the granting of the service increment on satisfying the service criterion only;
- (c) Trained teachers appointed to permanent positions on or after 1 February 1974, who were employed in the state secondary teaching service before 1 February 1971 and at that time satisfied the requirements for entry to the former List B (or the earlier Grade III) are required to serve five years on the maximum of the base scale before they may be paid the service increment but are not required to gain an additional qualification;
- (d) Non-graduate teachers who satisfied the five years' service requirement between 1 February 1976 and 1 February 1979 and who had enrolled for the papers leading to the Service Increment Certificate before or at the beginning of the 1979 academic year may be paid the service increment retrospectively to the date at which they completed the five-year service requirement; subject to the requirements for the issue of the Service Increment Certificate having been satisfied, and also the certificate having been completed within five years of the teacher's commencing study for it. Non-graduate teachers outside the scope of this provision will be paid the service increment only when the service and qualification criteria have been met, i.e. the retrospective payment provision does not apply to non graduate teachers who met the five year service criterion after 1 February 1979.
